(b) The amount estimated pursuant to subsections (1) and (2)(a) is each local government's base year component. The sum of all local governments' base year components is the base year entitlement share pool. For the purpose of calculating the sum of all local governments' base year components, the base year component for a local government may not be less than zero.

(3) (a) ~~Beginning with fiscal year 2002 and in each succeeding fiscal year, the~~ The base year entitlement share pool must be increased annually by a growth rate as provided for in this subsection (3). The amount

determined through the application of annual growth rates is the entitlement share pool for each fiscal year. ~~For fiscal year 2002, the growth rate is 3%. For fiscal year 2003, the growth rate is 3% for incorporated cities and towns, 1.61% for counties, and 2.3% for consolidated local governments. Beginning with calendar year 2002, by~~ By October 1 of each even-numbered year, the department shall calculate the growth rate of the entitlement share pool for each year of the next biennium in the following manner:

(i) Before applying the growth rate for fiscal year 2004 to determine the fiscal year 2004 entitlement share pool, the department shall add to the fiscal year 2003 entitlement share pool the fiscal year 2003 amount of revenue actually distributed to the county from the 25-cent marriage license fee in 50-15-301 and the ~~probation and parole~~ supervisory fee in 46-23-1031(2)(b).

(ii) The department shall calculate the average annual growth rate of the Montana gross state product, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(ii)(A).

(iii) The department shall calculate the average annual growth rate of Montana personal income, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(iii)(A).

(b) (i) For fiscal year 2004 and subsequent fiscal years, the entitlement share pool growth rate for the first year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(B) and (3)(a)(iii)(B):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(A) and (3)(a)(iii)(A):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(4) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources listed in subsection (1).

(5) (a) The entitlement share pools calculated in this section and the block grants provided for in subsection (6) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local government is entitled to a pro rata share of each year's entitlement share pool based on the local government's base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis ~~beginning September 15, 2001~~.

(b) (i) ~~For fiscal year 2002, the growth amount is the difference between the fiscal year 2002 entitlement share pool and the base year entitlement share pool. For fiscal year 2002, a county may have a negative base year component.~~ For each fiscal year ~~2003 and each succeeding fiscal year~~, the growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero. The growth factor in the entitlement share must be calculated separately for:

(A) counties;

(B) consolidated local governments; and

(C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county's percentage of the base year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county's population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as

follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government's percentage of the base year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government's population bears to the state's total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city's or town's percentage of the base year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's population bears to the state's total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool not represented by the growth amount is distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

~~(vi) For fiscal year 2002, an amount equal to the district court costs identified in subsection (2) must be added to each county government's distribution from the entitlement share pool.~~

~~(vii) For fiscal year 2002, an amount equal to the district court fees identified in subsection (1)(d) must be subtracted from each county government's distribution from the entitlement share pool.~~

(6) (a) If a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any block grant. If a tax increment financing district referred to in subsection (6)(b) terminates, then the block grant provided for in subsection (6)(b) terminates.

(b) One-half of the payments provided for in this subsection (6)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (6)(a), the entitlement share for tax increment financing districts is as follows:

Cascade	Great Falls - downtown	$468,966

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of $3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of $3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional. (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"

(2) The department shall respond to emergency reports of known or suspected child abuse or neglect 24 hours a day, 7 days a week.

(b) The department shall inform a parent or other person responsible for a child's welfare who is considering entering into a voluntary protective services agreement that the parent or other person may have another person of the parent's or responsible person's choice present whenever the terms of the voluntary protective services agreement are under discussion by the parent or other person responsible for the child's welfare and the department. Reasonable accommodations must be made regarding the time and place of meetings at which a voluntary protective services agreement is discussed.

(5) A voluntary protective services agreement is subject to termination by either party at any time. Termination of a voluntary protective services agreement does not preclude the department from filing a petition pursuant to 41-3-422 in any case in which the department determines that there is a risk of harm to a child.

(6) If a voluntary protective services agreement is terminated by a party to the agreement, a child who has been placed in a temporary out-of-home placement pursuant to the agreement must be returned to the parents within 2 working days of termination of the agreement unless an abuse and neglect petition is filed by the department."

"41-3-437. Adjudication -- temporary disposition -- findings -- order. (1) Upon the filing of an appropriate petition, an adjudicatory hearing must be held within 90 days of a show cause hearing under 41-3-432. Adjudication may take place at the show cause hearing if the requirements of subsection (2) are met

or may be made by prior stipulation of the parties pursuant to 41-3-434 and order of the court. Exceptions to the time limit may be allowed only in cases involving newly discovered evidence, unavoidable delays, stipulation by the parties pursuant to 41-3-434, and unforeseen personal emergencies.

(2) The court may make an adjudication on a petition under 41-3-422 if the court determines by a preponderance of the evidence, except as provided in the federal Indian Child Welfare Act, if applicable, that the child is a youth in need of care. Except as otherwise provided in this part, the Montana Rules of Civil Procedure and the Montana Rules of Evidence apply to adjudication and to an adjudicatory hearing. Adjudication must determine the nature of the abuse and neglect and establish facts that resulted in state intervention and upon which disposition, case work, court review, and possible termination are based.

(3) The court shall hear evidence regarding the residence of the child, paternity, if in question, the whereabouts of the parents, guardian, or nearest adult relative, and any other matters the court considers relevant in determining the status of the child. Hearsay evidence of statements made by the affected youth is admissible according to the Montana Rules of Evidence.

(4) In a case in which abandonment has been alleged by the county attorney, the attorney general, or an attorney hired by the county, the court shall hear offered evidence, including evidence offered by a person appearing pursuant to 41-3-422(9)(a) or (9)(b), regarding any of the following subjects:

(a) the extent to which the child has been cared for, nurtured, or supported by a person other than the child's parents; and

(b) whether the child was placed or allowed to remain by the parents with another person for the care of the child, and, if so, then the court shall accept evidence regarding:

(i) the intent of the parents in placing the child or allowing the child to remain with that person; and

(ii) the circumstances under which the child was placed or allowed to remain with that other person, including:

(A) whether a parent requesting return of the child was previously prevented from doing so as a result of an order issued pursuant to Title 40, chapter 15, part 2, or of a conviction pursuant to 45-5-206; and

(B) whether the child was originally placed with the other person to allow the parent to seek employment or attend school.

(5) In all civil and criminal proceedings relating to abuse or neglect, the privileges related to the examination or treatment of the child do not apply, except the attorney-client privilege granted by 26-1-803 and the mediation privilege granted by 26-1-813.

(6) (a) If the court determines that the child is not an abused or neglected child, the petition must be

dismissed and any order made pursuant to 41-3-427 or 41-3-432 must be vacated.

(b) If the child is adjudicated a youth in need of care, the court shall set a date for a dispositional hearing to be conducted within 20 days, as provided in ~~41-3-438(2)~~ 41-3-438(1), and order any necessary or required investigations. The court may issue a temporary dispositional order pending the dispositional hearing. The temporary dispositional order may provide for any of the forms of relief listed in 41-3-427(2).

(7) (a) Before making an adjudication, the court may make oral findings, and following the adjudicatory hearing, the court shall make written findings on issues, including but not limited to the following:

(i) which allegations of the petition have been proved or admitted, if any;

(ii) whether there is a legal basis for continued court and department intervention; and

(iii) whether the department has made reasonable efforts to avoid protective placement of the child or to make it possible to safely return the child to the child's home.

(b) The court may order:

(i) terms for visitation, support, and other intrafamily communication pending disposition if the child is to be placed or to remain in temporary out-of-home care prior to disposition;

(ii) examinations, evaluations, or counseling of the child or parents in preparation for the disposition hearing that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditure is reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(iii) the department to evaluate the noncustodial parent or relatives as possible caretakers, if not already done;

(iv) the perpetrator of the alleged child abuse or neglect to be removed from the home to allow the child to remain in the home; and

(v) the department to continue efforts to notify noncustodial parents."

Section 56. Section 41-3-445, MCA, is amended to read:

"41-3-445. Permanency plan hearing. (1) (a) (i) Subject to subsection (1)(b), a permanency plan hearing must be held by the court:

(A) within 30 days of a determination that reasonable efforts to provide preservation or reunification services are not necessary under 41-3-423, 41-3-438(6), or 41-3-442(1); and

(B) no later than 12 months after the initial court finding that the child has been subjected to abuse or neglect or 12 months after the child's first 60 days of removal from the home, whichever comes first.

(ii) Within 12 months of a hearing under subsection (1)(a)(i)(B) and every 12 months thereafter until the child is permanently placed in either an adoptive or a guardianship placement, the court shall conduct a hearing and make a finding as to whether the department has made reasonable efforts to finalize the permanency plan for the child.

(b) A permanency plan hearing is not required if the proceeding has been dismissed, the child was not removed from the home, or the child has been returned to the child's parent or guardian.

(c) The permanency plan hearing may be combined with a hearing that is required in other sections of this part if held within the time limits of that section. If a permanency plan hearing is combined with another hearing, the requirements of the court related to the disposition of the other hearing must be met in addition to the requirements of this section.

(2) At least 3 working days prior to the permanency plan hearing, the department and the guardian ad litem shall each submit a report regarding the child to the court for review. The report must address the department's efforts to effectuate the permanency plan for the child, address the options for the child's permanent placement, examine the reasons for excluding higher priority options, and set forth the proposed plan to carry out the placement decision, including specific times for achieving the plan.

(3) At least 3 working days prior to the permanency plan hearing, an attorney or advocate for a parent or guardian may submit an informational report to the court for review.

(4) The court's order must be issued within a reasonable time after the permanency plan hearing. The court shall make findings on whether the permanency plan is in the best interests of the child and whether the department has made reasonable efforts to finalize the plan. The court shall order the department to take whatever additional steps are necessary to effectuate the terms of the plan.

(5) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the options provided in subsection (6) and that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditures are reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(6) Permanency options include:

(a) reunification of the child with the child's parent or guardian;

(b) adoption;

(c) appointment of a guardian pursuant to 41-3-444; or

(d) long-term custody if the child is in a planned permanent living arrangement and if it is established by

a preponderance of the evidence, which is reflected in specific findings by the court, that:

(i) the child is being cared for by a fit and willing relative;

(ii) the child has an emotional or mental handicap that is so severe that the child cannot function in a family setting and the best interests of the child are served by placement in a residential or group setting;

(iii) the child is at least 16 years of age and is participating in an independent living program and that termination of parental rights is not in the best interests of the child;

(iv) the child's parent is incarcerated and circumstances, including placement of the child and continued, frequent contact with the parent, indicate that it would not be in the best interests of the child to terminate parental rights of that parent; or

(v) the child meets the following criteria:

(A) the child has been adjudicated a youth in need of care;

(B) the department has made reasonable efforts to reunite the parent and child, further efforts by the department would likely be unproductive, and reunification of the child with the parent or guardian would be contrary to the best interests of the child;

(C) there is a judicial finding that other more permanent placement options for the child have been considered and found to be inappropriate or not to be in the ~~child's~~ best interests of the child; and

(D) the child has been in a placement in which the foster parent or relative has committed to the long-term care and to a relationship with the child, and it is in the best interests of the child to remain in that placement.

(7) The court may terminate a planned permanent living arrangement upon petition of the birth parents or the department if the court finds that the circumstances of the child or family have substantially changed and the best interests of the child are no longer being served."

Section 57. Section 44-1-1102, MCA, is amended to read:

"44-1-1102. Procedure when patrol officer accepts bail or driver's license in lieu of bail. (1) If the patrol officer accepts bail, the patrol officer shall give a signed receipt to the offender, setting forth the amount received. The patrol officer shall then deliver the bail money to the justice of the peace before whom the offender is to appear, and the justice of the peace shall give a receipt to the patrol officer for the amount of bail money delivered. After the filing of the complaint and the appearance of the defendant, the justice of the peace shall assume jurisdiction and may set and accept further bail bond.

(2) If the patrol officer accepts an unexpired driver's license in lieu of bail, the patrol officer shall give the

offender a signed driving permit, in a form prescribed by the department. The permit must acknowledge the officer's acceptance of the offender's driver's license and serves as a valid temporary driving permit authorizing the operation of a motor vehicle by the offender. The permit is effective as of the date the permit is signed and remains in effect through the date of the appearance listed on the permit. The patrol officer shall deliver the driver's license to the justice of the peace before whom the offender is to appear, and the justice of the peace shall give a receipt to the patrol officer acknowledging delivery of the offender's driver's license to the court. After the filing of the complaint and the appearance of the defendant, the justice of the peace shall assume jurisdiction and may extend the date of the driving permit for a period up to 6 months from the defendant's initial appearance date.

(3) The ~~judge~~ justice of the peace shall return a driver's license that has been accepted in lieu of bail to a defendant:

(a) after the required bail has been posted or there has been a final determination of the charge; and

(b) if the defendant pleaded guilty or was convicted, after a $25 administrative fee has been paid to the court."

Section 58. Section 46-14-221, MCA, is amended to read:

"46-14-221. Determination of fitness to proceed -- effect of finding of unfitness -- expenses. (1) The issue of the defendant's fitness to proceed may be raised by the court, by the defendant or the defendant's counsel, or by the prosecutor. When the issue is raised, it must be determined by the court. If neither the prosecutor nor the defendant's counsel contests the finding of the report filed under 46-14-206, the court may make the determination on the basis of the report. If the finding is contested, the court shall hold a hearing on the issue. If the report is received in evidence upon the hearing, the parties have the right to subpoena and cross-examine the psychiatrists or licensed clinical psychologists who joined in the report and to offer evidence upon the issue.

(2) (a) If the court determines that the defendant lacks fitness to proceed, the proceeding against the defendant must be suspended, except as provided in subsection (4), and the court shall commit the defendant to the custody of the director of the department of public health and human services to be placed in an appropriate mental health facility, as defined in 53-21-102, or residential facility, as defined in 53-20-102, of the department of public health and human services for so long as the unfitness endures or until disposition of the defendant is made pursuant to this section, whichever occurs first.

(b) The facility shall develop an individualized treatment plan to assist the defendant to gain fitness to

proceed. The treatment plan may include a physician's prescription of reasonable and appropriate medication that is consistent with accepted medical standards. If the defendant refuses to comply with the treatment plan, the facility may petition the court for an order requiring compliance. The defendant has a right to a hearing on the petition. The court shall enter into the record a detailed statement of the facts upon which an order is made, and if compliance with the individualized treatment plan is ordered, the court shall also enter into the record specific findings that the state has proved an overriding justification for the order and that the treatment being ordered is medically appropriate.

(3) (a) The committing court shall, within 90 days of commitment, review the defendant's fitness to proceed. If the court finds that the defendant is still unfit to proceed and that it does not appear that the defendant will become fit to proceed within the reasonably foreseeable future, the proceeding against the defendant must be dismissed, except as provided in subsection (4).

(b) If the court determines that the defendant lacks fitness to proceed because the defendant has a mental disorder, the proceeding against the defendant must be dismissed and the prosecutor shall petition the court in the manner provided in Title 53, chapter 21, to determine the disposition of the defendant pursuant to those provisions.

(c) If the court determines that the defendant lacks fitness to proceed because the defendant has a developmental disability as defined in 53-20-102, the proceeding against the defendant must be dismissed and the prosecutor shall petition the court in the manner provided in Title 53, chapter 20, to determine the disposition of the defendant pursuant to those provisions.

(4) The fact that the defendant is unfit to proceed does not preclude any legal objection to the prosecution that is susceptible to fair determination prior to trial and that is made without the personal participation of the defendant.

(5) The expenses of sending the defendant to the custody of the director of the department of public health and human services to be placed in an appropriate ~~institution~~ facility of the department of public health and human services, of keeping the defendant there, and of bringing the defendant back are payable by the state as a district court expense."

Section 59. Section 46-14-222, MCA, is amended to read:

"46-14-222. Proceedings if fitness regained. When the court, on its own motion or upon the application of the director of the department of public health and human services, the prosecution, or the defendant or the defendant's legal representative, determines, after a hearing if a hearing is requested, that the defendant has

regained fitness to proceed, the proceeding must be resumed. If, however, the court is of the view that so much time has elapsed since the commitment of the defendant that it would be unjust to resume the criminal proceedings, the court may dismiss the charge and may order the defendant to be discharged or, subject to the law governing the civil commitment of persons suffering from serious mental illness, order the defendant committed to an appropriate ~~institution~~ facility of the department of public health and human services."

Section 60. Section 46-19-202, MCA, is amended to read:

"46-19-202. Proceedings following determination regarding fitness. (1) If it is found that defendant is mentally fit as provided in 46-19-201, the warden of the Montana state prison shall execute the judgment.

(2) If it is found that the defendant lacks fitness, the execution of judgment must be suspended and the court shall commit the defendant to the custody of the superintendent of the Montana state hospital to be placed in an appropriate ~~institution~~ facility of the department of public health and human services for as long as the lack of fitness endures.

(3) When the court, on its own motion or upon application of the superintendent of the Montana state hospital, the county prosecuting officer, or the defendant or the defendant's legal representative, determines after a hearing, if a hearing is requested, that the defendant has regained fitness to proceed, the warden must be directed by the court to carry out the execution. If, however, the court is of the view that so much time has elapsed since the commitment of the defendant that it would be unjust to proceed with execution of the sentence, the court may suspend the execution of the sentence and may order the defendant to be discharged."

Section 61. Section 50-20-101, MCA, is amended to read:

"50-20-101. Short title. This ~~chapter shall be known and~~ part may be cited as the "Montana Abortion Control Act"."

(b) Rules concerning the conservation of energy must conform to the policy established in 50-60-801

and to relevant policies developed under the provisions of Title 90, chapter 4, part 10.

(2) The department may adopt by reference nationally recognized building codes in whole or in part and may adopt rules more stringent than those contained in national codes.
