

AN ACT CHANGING THE STATUTE OF LIMITATIONS FOR MEDICAL MALPRACTICE CLAIMS FROM 3 YEARS TO 2 YEARS; AMENDING SECTION 27-2-205, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

WHEREAS, the provision of medical services to Montana residents is imperative to their health and happiness; and

WHEREAS, it is increasingly difficult for Montana communities to attract and retain qualified medical providers; and

WHEREAS, the acquisition of reasonably priced medical malpractice insurance coverage is a factor in attracting medical providers to Montana and in retaining them; and

WHEREAS, the Legislature has determined that a shortage of health care providers in the state and an inability to attract health care providers to the state would pose a serious threat to the health, welfare, and safety of Montanans; and

WHEREAS, the number of insurance carriers that provide liability insurance for hospitals, physicians, and dentists has declined significantly in the past decade; and

WHEREAS, insurance premiums for liability insurance for health care providers have historically forced physicians and other providers in Montana to consider either curtailing certain medical services or, in the alternative, relocating to other states where premiums are stabilized; and

WHEREAS, Montana has a compelling state interest in ensuring that Montana residents receive quality and reasonably priced health care; and

WHEREAS, recently enacted federal health care reform failed to address tort reform measures, defensive medicine costs, and abusive litigation practices; and

WHEREAS, all of Montana's neighboring states (Idaho, Wyoming, South Dakota, and North Dakota) have a 2-year or less statute of limitations for medical malpractice actions; and

WHEREAS, the Legislature declares that it is the policy of the State of Montana to attempt to attract and retain qualified health care providers to care for the residents of Montana and that reducing the statute of

limitations to 2 years will put Montana on a level playing field with its neighboring states.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 27-2-205, MCA, is amended to read:

**"27-2-205. However, this time limitation is tolled for any period during which there has been a failure to disclose any act, error, or omission upon which an action is based and that is known to the defendant or through the use of reasonable diligence subsequent to the act, error, or omission would have been known to the defendant.

(2) Notwithstanding the provisions of 27-2-401, in an action for death or injury of a minor who was under the age of 4 on the date of the minor's injury, the period of limitations in subsection (1) begins to run when the minor reaches the minor's eighth birthday or dies, whichever occurs first, and the time for commencement of the action is tolled during any period during which the minor does not reside with a parent or guardian."

**Section 2. Effective date.** [This act] is effective on passage and approval.

**Section 3. Applicability.** [This act] applies to civil actions filed on or after July 1, 2013.
