21 to state a claim for relief or it may proceed to determine the issue.

22 (b) If the death sentence has been imposed, upon receipt of the response or responses to the petition,
23 the court shall promptly hold a conference to determine a schedule for the expeditious resolution of the

24 becomes indigent at any subsequent stage of the proceedings, the court shall order the assignment of counsel
25 as provided in subsection (3)(b)(i).

26 (e) The expenses of counsel assigned pursuant to this subsection (3) must be paid by the office of state
27 public defender.

28 (f) Violation of this subsection (3) is not a basis for a claim or relief under this chapter.

29 (4) The court, for good cause, may grant leave to either party to use the discovery procedures available
30 in criminal or civil proceedings. Discovery procedures may be used only to the extent and in the manner that the

1 court has ordered or to which the parties have agreed.

2 (5) The court may receive proof of affidavits, depositions, oral testimony, or other evidence. In its
3 discretion, the court may order the petitioner brought before the court for the hearing.

16 **Section 37.** Section 53-21-112, MCA, is amended to read:

17 **"53-21-112. Voluntary admission of minors.** (1) Notwithstanding any other provision of law, a parent

24 (3) Except as provided by this section, the provisions of 53-21-111 apply to the voluntary admission of
25 a minor to a mental health facility but not to the state hospital.

26 (4) Except as provided by this subsection, voluntary admission of a minor to a mental health facility for
27 an inpatient course of treatment is for the same period of time as that for an adult. A minor voluntarily admitted
28 with consent of the minor's parent or guardian has the right to be released within 5 days of a request by the parent
29 or guardian as provided in 53-21-111(3). A minor who has been admitted without consent by a parent or guardian,
30 pursuant to subsection (2), may also make a request and also has the right to be released within 5 days as

1 provided in 53-21-111(3). Unless there has been a periodic review and a voluntary readmission consented to by
2 the parent or guardian in the case of a minor patient or consented to by the minor alone in the case of a minor
3 patient who is at least 16 years of age, voluntary admission terminates at the expiration of 1 year. At the minor's
4 request or at any time that the minor is faced with potential legal proceedings, the court shall order the office of
5 state public defender, provided for in ~~47-1-201 [section 3]~~ [SECTION 1], to assign counsel for the minor."

6

7 **Section 38.** Section 53-21-116, MCA, is amended to read:

8 **"53-21-116. Right to be present at hearing or trial -- assignment of counsel.** The person alleged to
9 be suffering from a mental disorder and requiring commitment has the right to be present and the right to counsel
10 at any hearing or trial. If the person is indigent or if in the court's discretion assignment of counsel is in the best
11 interest of justice, the judge shall order the office of state public defender, provided for in ~~47-1-201 [section 3]~~
12 [SECTION 1], to immediately assign counsel to represent the person at either the hearing or the trial, or both."

13

14 **Section 39.** Section 53-21-122, MCA, is amended to read:

15 **"53-21-122. Petition for commitment -- filing of -- initial hearing on.** (1) The petition must be filed with
16 the clerk of court who shall immediately notify the judge.

17 (2) (a) The judge shall consider the petition. If the judge finds no probable cause, the petition must be
18 dismissed. If the judge finds probable cause and the respondent does not have private counsel present, the judge
19 may order the office of state public defender, provided for in ~~47-1-201 [section 3]~~ [SECTION 1], to immediately
20 assign counsel for the respondent, and the respondent must be brought before the court with the respondent's
21 counsel. The respondent must be advised of the respondent's constitutional rights, the respondent's rights under
22 this part, and the substantive effect of the petition. The respondent must also be advised that the professional
23 person appointed to conduct the examination under 53-21-123 will include in the professional person's report a
24 recommendation about whether the respondent should be diverted from involuntary commitment to short-term
25 inpatient treatment provided for in 53-21-1205 and 53-21-1206. The respondent may at this appearance object
26 to the finding of probable cause for filing the petition. The judge shall appoint a professional person and set a date
27 and time for the hearing on the petition that may not be on the same day as the initial appearance and that may
28 not exceed 5 days, including weekends and holidays, unless the fifth day falls upon a weekend or holiday and
29 unless additional time is requested on behalf of the respondent.

30 (b) If the court finds that an appropriate person is willing and able to perform the functions of a friend of

1 respondent as set out in this part and the respondent personally or through counsel consents, the court shall
2 appoint the person as the friend of respondent. The friend of respondent may be the next of kin, the person's
3 conservator or legal guardian, if any, a representative of a charitable or religious organization, or any other person
4 appointed by the court. Only one person may at any one time be the friend of respondent within the meaning of
5 this part. The court may at any time, for good cause, change its designation of the friend of respondent. The court
6 shall change the designation of the friend of respondent at the request of the respondent or if it determines that
7 a conflict of interest exists between the respondent and the friend of respondent.

8 (3) If a judge is not available in the county in person, the clerk shall notify a resident judge by telephone
9 and shall read the petition to the judge. The judge may do all things necessary through the clerk of court by
10 telephone as if the judge were personally present, including ordering the office of state public defender, provided
11 for in ~~47-1-201~~ ~~[section 3]~~ [SECTION 1], to immediately provide assigned counsel. The judge, through the clerk of
12 court, may also order that the respondent be brought before a justice of the peace with the respondent's counsel

15 that the professional person appointed to conduct the examination under 53-21-123 will include in the
16 professional person's report a recommendation about whether the respondent should be diverted from involuntary
17 commitment to short-term inpatient treatment provided for in 53-21-1205 and 53-21-1206. The justice of the
18 peace shall ascertain the desires of the respondent with respect to the assignment of counsel or the hiring of
19 private counsel, pursuant to 53-21-116 and 53-21-117, and this information must be immediately communicated
20 to the resident judge."
21

22 **Section 40.** Section 53-24-302, MCA, is amended to read:

23 **"53-24-302. Involuntary commitment of alcoholics -- rights.** (1) A person may be committed to the
24 custody of the department by the district court upon the petition of the person's spouse or guardian, a relative,
25 the certifying physician, or the chief of any approved public treatment facility. The petition must allege that the
26 person is an alcoholic who habitually lacks self-control as to the use of alcoholic beverages and that the person
27 has threatened, attempted, or inflicted physical harm on another and that unless committed is likely to inflict
28 physical harm on another or is incapacitated by alcohol. A refusal to undergo treatment does not constitute
29 evidence of lack of judgment as to the need for treatment. The petition must be accompanied by a certificate of
30 a licensed physician who has examined the person within 2 days before submission of the petition unless the

1 person whose commitment is sought has refused to submit to a medical examination, in which case the fact of
2 refusal must be alleged in the petition. The certificate must set forth the physician's findings in support of the
3 allegations of the petition. A physician employed by the admitting facility or the department is not eligible to be
4 the certifying physician.

5 (2) Upon filing the petition, the court shall fix a date for a hearing no later than 10 days after the date the
6 petition was filed. A copy of the petition and of the notice of the hearing, including the date fixed by the court, must
7 be served on the petitioner, the person whose commitment is sought, the person's next of kin other than the
8 petitioner, a parent or the person's legal guardian if the person is a minor, the administrator in charge of the
9 approved public treatment facility to which the person has been committed for emergency care, and any other
10 person the court believes advisable. A copy of the petition and certificate must be delivered to each person
11 notified.

12 (3) At the hearing, the court shall hear all relevant testimony, including, if possible, the testimony of at
13 least one licensed physician who has examined the person whose commitment is sought. The person has a right
14 to have a licensed physician of the person's own choosing conduct an examination and testify on the person's
15 behalf. If the person has no funds with which to pay the physician, the reasonable costs of one examination and
16 testimony must be paid by the county. The person must be present unless the court believes that the person's
17 presence is likely to be injurious to the person. The court shall examine the person in open court or, if advisable,
18 shall examine the person in chambers. If the person refuses an examination by a licensed physician and there
19 is sufficient evidence to believe that the allegations of the petition are true or if the court believes that more
20 medical evidence is necessary, the court may make a temporary order committing the person to the department
21 for a period of not more than 5 days for purposes of a diagnostic examination.

22 (4) If after hearing all relevant evidence, including the results of any diagnostic examination by the
23 department, the court finds that grounds for involuntary commitment have been established by clear and
24 convincing evidence, it shall make an order of commitment to the department. The court may not order
25 commitment of a person unless it determines that the department is able to provide adequate and appropriate
26 treatment for the person and that the treatment is likely to be beneficial.

27 (5) A person committed under this section must remain in the custody of the department for treatment
28 for a period of 40 days unless sooner discharged. At the end of the 40-day period, the person must automatically
29 be discharged unless before expiration of the period the department obtains a court order from the district court
30 of the committing district for the person's recommitment upon the grounds set forth in subsection (1) for a further

1 period of 90 days unless sooner discharged. If a person has been committed because the person is an alcoholic
2 likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is
3 determined that the likelihood still exists.

4 (6) A person recommitted under subsection (5) who has not been discharged by the department before
5 the end of the 90-day period must be discharged at the expiration of that period unless before expiration of the
6 period the department obtains a court order from the district court of the committing district on the grounds set
7 forth in subsection (1) for recommitment for a further period not to exceed 90 days. If a person has been
8 committed because the person is an alcoholic likely to inflict physical harm on another, the department shall apply
9 for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders
10 under subsections (5) and (6) are permitted.

11 (7) Upon the filing of a petition for recommitment under subsection (5) or (6), the court shall fix a date
12 for hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of
13 hearing, including the date fixed by the court, must be served on the petitioner, the person whose commitment
14 is sought, the person's next of kin other than the petitioner, the original petitioner under subsection (1) if different
15 from the petitioner for recommitment, one of the person's parents or the person's legal guardian if the person is
16 a minor, and any other person the court believes advisable. At the hearing, the court shall proceed as provided
17 in subsection (3).

18 (8) A person committed to the custody of the department for treatment must be discharged at any time
19 before the end of the period for which the person has been committed if either of the following conditions is met:

20 (a) in case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon
21 another, that the person is no longer in need of treatment or the likelihood no longer exists; or

22 (b) in case of an alcoholic committed on the grounds of incapacity and the need of treatment, that the
23 incapacity no longer exists, further treatment will not be likely to bring about significant improvement in the
24 person's condition, or treatment is no longer adequate or appropriate.

25 (9) The court shall inform the person whose commitment or recommitment is sought of the person's right
26 to contest the application, be represented by counsel at every stage of any proceedings relating to the person's
27 commitment and recommitment, and have assigned counsel pursuant to the Montana Public Defender Act, Title
28 47, chapter 1, if the person wants the assistance of counsel and is unable to obtain private counsel. If the court
29 believes that the person needs the assistance of counsel, the court shall order the office of state public defender,
30 provided for in ~~47-1-204 [section 3]~~ SECTION 1, to assign counsel for the person regardless of the person's

1 wishes. The person whose commitment or recommitment is sought must be informed of the right to be examined
 2 by a licensed physician of the person's choice. If the person is unable to obtain a licensed physician and requests
 3 examination by a physician, the court shall employ a licensed physician.

4 (10) If a private treatment facility agrees with the request of a competent patient or the patient's parent,
 5 sibling, adult child, or guardian to accept the patient for treatment, the department may transfer the patient to the
 6 private treatment facility.

7 (11) A person committed under this section may at any time seek to be discharged from commitment by
 8 writ of habeas corpus or other appropriate means.

9 (12) The venue for proceedings under this section is the place in which the person to be committed
 10 resides or is present."
 11

12 **Section 41.** Section 72-5-225, MCA, is amended to read:

13 **"72-5-225. Procedure for court appointment of guardian of minor -- notice -- hearing --**
 14 **representation by attorney.** (1) Notice of the time and place of hearing of a petition for the appointment of a
 15 guardian of a minor must be given by the petitioner in the manner prescribed by 72-1-301 to:

- 16 (a) the minor, if the minor is 14 years of age or older;
 17 (b) the person who has had the principal care and custody of the minor during the 60 days preceding
 18 the date of the petition; and
 19 (c) any living parent of the minor.

20 (2) Upon hearing, the court shall make the appointment if the court finds that a qualified person seeks
 21 appointment, venue is proper, the required notices have been given, the requirements of 72-5-222 have been
 22 met, and the welfare and best interests of the minor, including the need for continuity of care, will be served by
 23 the requested appointment. In other cases, the court may dismiss the proceedings or make any other disposition
