Explanation - This amendment removes \$100,000 in state special revenue in FY 2020 from the appropriation for the Council of State Governments Conference in Legislative Committees and Activities in the Legislative Branch.

This amendment provides a restricted, one-time-only state special revenue appropriation of \$50,000 each fiscal year for the Main Street Rural Partners Program in the Department of Commerce. This appropriation is restricted to help communities develop plans for economic development and historic preservation that maintains local historic integrity and quality of life. Funding for this appropriation will be transferred from the consumer protection account at the Department of Justice.
