(c) an attestation that the information provided in the written certification and accompanying statements is true and correct.

(4) A physician who is providing written certification through the use of telemedicine:

(a) shall comply with the administrative rules adopted for telemedicine by the board of medical examiners provided for in 2-15-1731; and

(b) may not use an audio-only visit unless the physician has first established a physician-patient relationship through an in-person encounter.

Any individual so identified must be at least 21 years of age, possess the registry identification card at all relevant times, and otherwise comply with the daily possession limits set forth in this chapter and rules adopted by the department.

NEW SECTION. Section 20. Health care facility procedures for patients with marijuana for use. (1) (a) A health care facility as defined in 50-5-101 shall take the following measures when a patient who is a registered cardholder has marijuana in the patient's possession upon admission to the health care facility:

(ii) make a reasonable effort to contact the patient's cultivator, manufacturer, or medical marijuana dispensary, court-appointed guardian, or individual with a power of attorney, if any.

(b) If a patient is unable to remove the marijuana or the health care facility is unable to contact an individual as provided in subsection (1)(a), the facility shall contact the local law enforcement agency having jurisdiction in the area where the facility is located.

(2) A cultivator, manufacturer, or medical marijuana dispensary, court-appointed guardian, or individual with a power of attorney, if any, contacted by a health care facility shall remove the marijuana and deliver it to the patient's residence.

(3) A law enforcement agency contacted by a health care facility shall respond by removing and destroying the marijuana.

(4) A health care facility may not be charged for costs related to removal of the marijuana from the facility's premises.

NEW SECTION. Section 21. Legal protections -- allowable amounts. (1) (a) A registered cardholder who has elected to obtain marijuana and marijuana products through the system of licensed cultivators, manufacturers, or dispensaries may:

(i) possess up to 1 ounce of usable marijuana; and

(ii) purchase a maximum of 5 ounces of usable marijuana a month and no more than 1 ounce of usable marijuana a day.

(b) (i) A registered cardholder may petition the department for an exception to the monthly limit on purchases. The request must be accompanied by a confirmation from the physician who signed the cardholder's written certification that the cardholder's debilitating medical condition warrants purchase of an amount exceeding the monthly limit.

(ii) If the department approves an exception to the limit, the approval must establish the monthly amount of usable marijuana that the cardholder may purchase and the limit must be entered into the seed-to-sale tracking system.

(2) Except as provided in 16-12-108 and subject to the provisions of subsection (7) of this section, an individual who possesses a registry identification card issued pursuant to [sections 14 through 28] may not be

1 arrested, prosecuted, or penalized in any manner or be denied any right or privilege, including but not limited to
2 civil penalty or disciplinary action by a professional licensing board or the department of labor and industry,
3 solely because:

4 (a) the person cultivates, manufactures, possesses, or transports marijuana in the amounts allowed
5 under this section; or

6 (b) the registered cardholder acquires or uses marijuana.

7 (3) A physician may not be arrested, prosecuted, or penalized in any manner or be denied any right or
8 privilege, including but not limited to civil penalty or disciplinary action by the board of medical examiners or the
9 department of labor and industry, solely for providing written certification for a patient with a debilitating medical
10 condition.

11 (4) Nothing in this section prevents the imposition of a civil penalty or a disciplinary action by a
12 professional licensing board or the department of labor and industry if:

13 (a) a registered cardholder's use of marijuana impairs the cardholder's job-related performance; or

14 (b) a physician violates the standard of care or other requirements of [sections 14 through 28].

15 (5) (a) An individual may not be arrested or prosecuted for constructive possession, conspiracy as
16 provided in 45-4-102, or other provisions of law or any other offense solely for being in the presence or vicinity
17 of the use of marijuana and marijuana products as permitted under [sections 14 through 28].

18 (b) This subsection (5) does not prevent the arrest or prosecution of an individual who is in the vicinity
19 of a registered cardholder's use of marijuana if the individual is in possession of or is using marijuana in excess
20 of the amounts otherwise provided in this chapter and is not a registered cardholder.

21 (6) Possession of or application for a registry identification card does not alone constitute probable
22 cause to search the person or individual or the property of the person or individual or otherwise subject the
23 person or individual or property of the person or individual possessing or applying for the card to inspection by
24 any governmental agency, including a law enforcement agency.

25 (7) The provisions of this section relating to protection from arrest or prosecution do not apply to an
26 individual unless the individual has obtained a registry identification card prior to an arrest or the filing of a
27 criminal charge. It is not a defense to a criminal charge that an individual obtains a registry identification card
28 after an arrest or the filing of a criminal charge.

(8) (a) A registered cardholder is presumed to be engaged in the use of marijuana as allowed by [sections 14 through 28] if the person:

- (i) is in possession of a valid registry identification card; and
- (ii) is in possession of an amount of marijuana that does not exceed the amount permitted under [sections 14 through 28].

(b) The presumption may be rebutted by evidence that the possession of marijuana was not for the purpose of alleviating the symptoms or effects of a registered cardholder's debilitating medical condition and exceeded the allowable amount of marijuana otherwise provided for in [sections 14 through 28].

NEW SECTION. Section 22. Prohibitions on physician affiliation with licensees -- sanctions. (1)

- (i) accept or solicit anything of value, including monetary remuneration, from a person licensed under this chapter;

- (iii) examine a patient for the purposes of diagnosing a debilitating medical condition at a licensed premises or a testing laboratory.

(2) A person licensed under this chapter may not:

- (a) arrange for a physician to conduct a physical examination or review of medical records required under [sections 14 through 28], either in the physician's office or at another location; or

(3) If the department has cause to believe that a physician has violated this section, has violated a provision of rules adopted pursuant to [sections 14 through 28], or has not met the standard of care required under [sections 14 through 28], the department may refer the matter to the board of medical examiners

provided for in 2-15-1731 for review pursuant to 37-1-308.

(4) A violation of this section constitutes unprofessional conduct under 37-1-316. If the board of medical examiners finds that a physician has violated this section, the board shall restrict the physician's authority to provide written certification for the use of marijuana. The board of medical examiners shall notify the department of the sanction.

(5) If the board of medical examiners believes a physician's practices may harm the public health, safety, or welfare, the board may summarily restrict a physician's authority to provide written certification for the use of marijuana for a debilitating medical condition.

(6) (a) If the department has reason to believe a person licensed under this chapter has violated this section, the department shall refer the matter to the law enforcement entity and county attorney having jurisdiction where the person licensed under this chapter is doing business.

(b) If a person licensed under this chapter is found to have violated the provisions of this section, the department shall revoke the person's license. A person whose license has been revoked for a violation of this section is prohibited from reapplying for licensure under this chapter.

(7) (a) A law enforcement entity or county attorney who investigates a suspected violation of this section shall report the results of the investigation to the department.

(b) The department may receive the results of this investigation even if the information constitutes confidential criminal justice information as defined in 44-5-103.

NEW SECTION. Section 23. Unlawful conduct by cardholders -- penalties. (1) The department shall revoke and may not reissue the registry identification card of an individual who:

(a) is convicted of a drug offense; or

(b) allows another individual to be in possession of the individual's:

(i) registry identification card, except as provided for in [section 19]; or

(ii) mature marijuana plants, seedlings, usable marijuana, or marijuana products.

(2) If no other penalty is specified under [sections 14 through 28], a registered cardholder who violates [sections 14 through 28] is punishable by a fine not to exceed \$500 or by imprisonment in a county jail for a term not to exceed 6 months, or both, unless otherwise provided in [sections 14 through 28] or unless the

violation would constitute a violation of Title 45. An offense constituting a violation of Title 45 must be charged and prosecuted pursuant to the provisions of Title 45.

(3) Review of a department action imposing a fine, suspension, or revocation under this section must be conducted as a contested case hearing under the provisions of the Montana Administrative Procedure Act.

NEW SECTION. Section 24. Fraudulent representation -- penalties. (1) In addition to any other penalties provided by law, an individual who fraudulently represents to a law enforcement official that the individual is a registered cardholder is guilty of a misdemeanor punishable by imprisonment in a county jail for a term not to exceed 1 year or a fine not to exceed \$1,000, or both.

(2) A physician who purposely and knowingly misrepresents any information required under [section 18] is guilty of a misdemeanor punishable by imprisonment in a county jail for a term not to exceed 1 year or a fine not to exceed \$1,000, or both.

NEW SECTION. Section 25. Confidentiality of registry information -- penalty. (1) Except as provided in 37-3-203, a person, including an employee or official of the department, commits the offense of disclosure of confidential information related to registry information if the person knowingly or purposely discloses confidential information in violation of [sections 14 through 28].

(2) A person convicted of a violation of this section shall be fined not to exceed \$1,000 or imprisoned in the county jail for a term not to exceed 6 months, or both.

NEW SECTION. Section 26. Law enforcement authority. Nothing in this chapter may be construed to limit a law enforcement agency's ability to investigate unlawful activity in relation to an individual with a registry identification card.

NEW SECTION. Section 27. Legislative monitoring. (1) The economic affairs interim committee shall provide oversight of the department's activities pursuant to [sections 14 through 28], including but not limited to monitoring of:

(a) the number of registered cardholders; and

(2) The committee shall identify issues likely to require future legislative attention and develop legislation to present to the next regular session of the legislature.

(3) (a) The department shall periodically report to the economic affairs interim committee and submit a report to the legislative clearinghouse, as provided in 5-11-210, on persons who are registered pursuant to [sections 14 through 28]. The report must include:

(i) the number of applications for registry identification cards and the number of registered cardholders approved;

(ii) the nature of the debilitating medical conditions of the cardholders;

(iii) the number of registry identification cards and licenses revoked; and

(iv) the number of physicians providing written certification for registered cardholders and the number of written certifications each physician has provided.

(b) The report may not provide any identifying information of cardholders or physicians.

(4) The board of medical examiners shall report annually to the economic affairs interim committee on the number and types of complaints the board has received involving physician practices in providing written certification for the use of marijuana, pursuant to 37-3-203.

(5) The reports provided for in subsections (3) and (4) must also be provided to the revenue interim committee provided for in 5-5-227.

NEW SECTION. Section 28. Rulemaking authority -- fees. The department may adopt rules to implement [sections 14 through 28] as authorized in this section to specify:

5 (a) use of a lawful product, ~~including the use of marijuana for a debilitating medical condition as~~
6 ~~defined in 50-46-302~~, that:

7 (i) affects in any manner an individual's ability to perform job-related employment responsibilities or

Section 70. Section 39-71-407, MCA, is amended to read:

"39-71-407. (Temporary) Liability of insurers -- limitations. (1) For workers' compensation injuries, each insurer is liable for the payment of compensation, in the manner and to the extent provided in this section, to an employee of an employer covered under plan No. 1, plan No. 2, and the state fund under plan No. 3 that it insures who receives an injury arising out of and in the course of employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

(2) An injury does not arise out of and in the course of employment when the employee is:

(a) on a paid or unpaid break, is not at a worksite of the employer, and is not performing any specific tasks for the employer during the break; or

(b) engaged in a social or recreational activity, regardless of whether the employer pays for any portion of the activity. The exclusion from coverage of this subsection (2)(b) does not apply to an employee who, at the time of injury, is on paid time while participating in a social or recreational activity or whose presence at the activity is required or requested by the employer. For the purposes of this subsection (2)(b), "requested" means the employer asked the employee to assume duties for the activity so that the employee's presence is not completely voluntary and optional and the injury occurred in the performance of those duties.

(3) (a) Subject to subsection (3)(c), an insurer is liable for an injury, as defined in 39-71-119, only if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

(i) a claimed injury has occurred; or

(ii) a claimed injury has occurred and aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(c) Objective medical findings are sufficient for a presumptive occupational disease as defined in 39-71-1401 but may be overcome by a preponderance of the evidence.

(4) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement

1 and the travel is necessitated by and on behalf of the employer as an integral part or condition of the
2 employment; or

3 (ii) the travel is required by the employer as part of the employee's job duties.

4 (b) A payment made to an employee under a collective bargaining agreement, personnel policy
5 manual, or employee handbook or any other document provided to the employee that is not wages but is
6 designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil,
7 or lodging, and the employee is not covered under this chapter while traveling.

8 (5) Except as provided in subsection (6), an employee is not eligible for benefits otherwise payable
9 under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major
10 contributing cause of the accident.

11 (6) (a) An employee who has received written certification, as defined in ~~50-46-302~~ section 15, from
12 a physician for the use of marijuana for a debilitating medical condition and who is otherwise eligible for benefits
13 payable under this chapter is subject to the limitations of subsections (6)(b) through (6)(d).

14 (b) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use
15 of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ section 15, is the major contributing
16 cause of the injury or occupational disease.

17 (c) Nothing in this chapter may be construed to require an insurer to reimburse any person for costs
18 associated with the use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ section 15.

19 (d) In an accepted liability claim, the benefits payable under this chapter may not be increased or
20 enhanced due to a worker's use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~
21 section 15. An insurer remains liable for those benefits that the worker would qualify for absent the worker's
22 use of marijuana for a debilitating medical condition.

23 (7) The provisions of subsection (5) do not apply if the employer had knowledge of and failed to
24 attempt to stop the employee's use of alcohol or drugs not prescribed by a physician. This subsection (7) does
25 not apply to the use of marijuana for a debilitating medical condition because marijuana is not a prescribed
26 drug.

27 (8) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two
28 or more insurers, the insurer for the most recently filed claim shall pay benefits until that insurer proves that

1 another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later
2 proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must
3 receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

4 (9) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to
5 the same part of the body, the workers' compensation insurer is not liable for any compensation or medical
6 benefits caused by the subsequent nonwork-related injury.

7 (10) Except for cases of presumptive occupational disease as provided in 39-71-1401 and 39-71-1402,
8 an employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is
9 established by objective medical findings that contain sufficient factual and historical information concerning the
10 relationship of the worker's condition to the original injury.

11 (11) (a) For occupational diseases, every employer enrolled under plan No. 1, every insurer under
12 plan No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to
13 the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the
14 state fund under plan No. 3 if the employee is diagnosed with a compensable occupational disease.

15 (b) The provisions of subsection (11)(a) apply to presumptive occupational disease if the employee is
16 diagnosed and meets the conditions of 39-71-1401 and 39-71-1402.

17 (12) An insurer is liable for an occupational disease only if the occupational disease:

18 (a) is established by objective medical findings; and

19 (b) arises out of or is contracted in the course and scope of employment. An occupational disease is
20 considered to arise out of or be contracted in the course and scope of employment if the events occurring on
21 more than a single day or work shift are the major contributing cause of the occupational disease in relation to
22 other factors contributing to the occupational disease. For the purposes of this subsection (12), an occupational
23 disease is not the same as a presumptive occupational disease.

24 (13) When compensation is payable for an occupational disease or a presumptive occupational
25 disease, the only employer liable is the employer in whose employment the employee was last injuriously
26 exposed to the hazard of the disease.

27 (14) When there is more than one insurer and only one employer at the time that the employee was
28 injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the

1 earlier of:

2 (a) the time that the occupational disease or presumptive occupational disease was first diagnosed by
3 a health care provider; or

4 (b) the time that the employee knew or should have known that the condition was the result of an
5 occupational disease or a presumptive occupational disease.

6 (15) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or
7 substantially all of the assets of a mine from a person who was an operator of the mine on or after December
8 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person
9 with respect to miners previously employed in the mine if acquisition had not occurred and that person had
10 continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this
11 section.

12 (16) As used in this section, "major contributing cause" means a cause that is the leading cause
13 contributing to the result when compared to all other contributing causes. (Void on occurrence of contingency--
14 sec. 7, Ch. 158, L. 2019.)

15 **39-71-407. (Effective on occurrence of contingency) Liability of insurers -- limitations.** (1) For
16 workers' compensation injuries, each insurer is liable for the payment of compensation, in the manner and to
17 the extent provided in this section, to an employee of an employer covered under plan No. 1, plan No. 2, and
18 the state fund under plan No. 3 that it insures who receives an injury arising out of and in the course of
19 employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

20 (2) An injury does not arise out of and in the course of employment when the employee is:

21 (a) on a paid or unpaid break, is not at a worksite of the employer, and is not performing any specific
22 tasks for the employer during the break; or

23 (b) engaged in a social or recreational activity, regardless of whether the employer pays for any
24 portion of the activity. The exclusion from coverage of this subsection (2)(b) does not apply to an employee
25 who, at the time of injury, is on paid time while participating in a social or recreational activity or whose
26 presence at the activity is required or requested by the employer. For the purposes of this subsection (2)(b),
27 "requested" means the employer asked the employee to assume duties for the activity so that the employee's
28 presence is not completely voluntary and optional and the injury occurred in the performance of those duties.

(3) (a) An insurer is liable for an injury, as defined in 39-71-119, only if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

(i) a claimed injury has occurred; or

(ii) a claimed injury has occurred and aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(4) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement and the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or

(ii) the travel is required by the employer as part of the employee's job duties.

(b) A payment made to an employee under a collective bargaining agreement, personnel policy manual, or employee handbook or any other document provided to the employee that is not wages but is designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil, or lodging, and the employee is not covered under this chapter while traveling.

(5) Except as provided in subsection (6), an employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major contributing cause of the accident.

(6) (a) An employee who has received written certification, as defined in ~~50-46-302~~ [section 15], from a physician for the use of marijuana for a debilitating medical condition and who is otherwise eligible for benefits payable under this chapter is subject to the limitations of subsections (6)(b) through (6)(d).

(b) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15], is the major contributing cause of the injury or occupational disease.

(c) Nothing in this chapter may be construed to require an insurer to reimburse any person for costs associated with the use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15].

(d) In an accepted liability claim, the benefits payable under this chapter may not be increased or enhanced due to a worker's use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15]. An insurer remains liable for those benefits that the worker would qualify for absent the worker's use of marijuana for a debilitating medical condition.

(7) The provisions of subsection (5) do not apply if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs not prescribed by a physician. This subsection (7) does not apply to the use of marijuana for a debilitating medical condition because marijuana is not a prescribed drug.

(8) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two or more insurers, the insurer for the most recently filed claim shall pay benefits until that insurer proves that another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

(9) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury.

(10) An employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is established by objective medical findings that contain sufficient factual and historical information concerning the relationship of the worker's condition to the original injury.

(11) For occupational diseases, every employer enrolled under plan No. 1, every insurer under plan No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the state fund under plan No. 3 if the employee is diagnosed with a compensable occupational disease.

(12) An insurer is liable for an occupational disease only if the occupational disease:

(a) is established by objective medical findings; and

(b) arises out of or is contracted in the course and scope of employment. An occupational disease is considered to arise out of or be contracted in the course and scope of employment if the events occurring on more than a single day or work shift are the major contributing cause of the occupational disease in relation to

1 other factors contributing to the occupational disease.

2 (13) When compensation is payable for an occupational disease, the only employer liable is the
3 employer in whose employment the employee was last injuriously exposed to the hazard of the disease.

4 (14) When there is more than one insurer and only one employer at the time that the employee was
5 injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the
6 earlier of:

7 (a) the time that the occupational disease was first diagnosed by a health care provider; or

8 (b) the time that the employee knew or should have known that the condition was the result of an
9 occupational disease.

10 (15) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or
11 substantially all of the assets of a mine from a person who was an operator of the mine on or after December
12 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person
13 with respect to miners previously employed in the mine if acquisition had not occurred and that person had
14 continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this
15 section.

16 (16) As used in this section, "major contributing cause" means a cause that is the leading cause
17 contributing to the result when compared to all other contributing causes."

1 contempt of court.

2 (3) Except as provided in subsection (6), this section does not prohibit the destruction of records with

8 Title 46, chapter 23, part 5.

9 (5) After formal and informal youth court records, law enforcement records, and department records
10 are sealed, they are not open to inspection except, upon order of the youth court, for good cause to:

11 (a) those persons and agencies listed in 41-5-215(2); and

12 (b) adult probation and parole staff preparing a presentence report on an adult with an existing sealed
13 youth court record.

15 sealed under subsection (1), the electronic records of the management information system maintained by the
16 office of court administrator and by the department relating to the youth whose records are being sealed must
17 be preserved for the express purpose of research and program evaluation.

(b) The informal youth court records are confidential and may be shared only with those persons and agencies listed in 41-5-215(2).

(i) for research and program evaluation authorized by the office of the court administrator and subject to any applicable laws; and

(ii) as provided in Title 5, chapter 13.

(8) Nothing in this section prohibits the sharing of formal or informal youth court records within the juvenile probation management information system to a person or agency listed in 41-5-215(2).

(9) This section does not prohibit the sharing of formal or informal youth court records within the department's youth management information system. Electronic records of the department's youth management information system may not be shared except as provided in subsection (5). A person or agency receiving the youth court record shall destroy the record after it has fulfilled its purpose.

(10) This section does not prohibit the sharing of formal or informal youth court records with a short-term detention center, a youth care facility, a youth assessment center, or a youth detention facility upon placement of a youth within the facility.

8 required to participate in the sobriety program, the court may, upon the individual's obtaining proof of insurance

6 **Section 89.** Section 53-6-1201, MCA, is amended to read:

- 7 **"53-6-1201. (Subsection (2)(c) effective October 1, 2021) Special revenue fund -- health and**
8 **medicaid initiatives.** (1) There is a health and medicaid initiatives account in the state special revenue fund
9 established by 17-2-102. This account is to be administered by the department of public health and human
10 services.
11 (2) There must be deposited in the account:
12 (a) money from cigarette taxes deposited under 16-11-119(2)(c);
13 (b) money from taxes on tobacco products other than cigarettes deposited under 16-11-119(4)(b);
14 and
15 ~~(c) money from marijuana taxes deposited under 16-12-111; and~~
16 ~~(d)(c)~~ any interest and income earned on the account.
17 (3) This account may be used only to provide funding for:

21 (b) a new need-based prescription drug program established by the legislature for children, seniors,
22 chronically ill, and disabled persons that does not supplant similar services provided under any existing
23 program;
24 (c) increased medicaid services and medicaid provider rates. The increased revenue is intended to
25 increase medicaid services and medicaid provider rates and not to supplant the general fund in the trended
26 traditional level of appropriation for medicaid services and medicaid provider rates.
27 (d) an offset to loss of revenue to the general fund as a result of new tax credits; and

If the budget director certifies that the reserve balance will be sufficient, then the agencies may expend the revenue for the programs as appropriated. If the budget director determines that the reserve balance of the revenue will not support the level of appropriation, the budget director shall notify each agency. Upon receipt of the notification, the agency shall adjust the operating budget for the program to reflect the available revenue as determined by the budget director.

(b) Until the programs or credits described in subsections (3)(b) and (3)(d) are established, the funding must be used exclusively for the purposes described in subsections (3)(a) and (3)(c).

(5) The phrase "trended traditional level of appropriation", as used in subsection (3)(c), means the appropriation amounts, including supplemental appropriations, as those amounts were set based on eligibility standards, services authorized, and payment amount during the past five biennial budgets.

(6) The department of public health and human services may adopt rules to implement this section."

Section 91. Section 61-8-402, MCA, is amended to read:

"61-8-402. Implied consent -- blood or breath tests for alcohol, blood or oral fluid for drugs, or testing for both alcohol and drugs using recognized methods for each -- refusal to submit to test -- administrative license suspension. (1) A person who operates or is in actual physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a test or tests of the person's blood or breath for the purpose of determining any measured amount or detected presence of alcohol, or blood

1 or oral fluid for the purpose of determining any measured amount or detected presence of drugs in the person's
2 body.

3 (2) (a) The test or tests must be administered at the direction of a peace officer when:

4 (i) the officer has reasonable grounds to believe that the person has been driving or has been in
5 actual physical control of a vehicle upon ways of this state open to the public while under the influence of
6 alcohol, drugs, or a combination of the two and the person has been placed under arrest for a violation of 61-8-
7 401, 61-8-411, or 61-8-465;

8 (ii) the person is under the age of 21 and has been placed under arrest for a violation of 61-8-410; or

9 (iii) the officer has probable cause to believe that the person was driving or in actual physical control of
10 a vehicle:

11 (A) in violation of 61-8-401 and the person has been involved in a motor vehicle accident or collision
12 resulting in property damage;

13 (B) involved in a motor vehicle accident or collision resulting in serious bodily injury, as defined in 45-
14 2-101, or death; or

15 (C) in violation of 61-8-465.

16 (b) The arresting or investigating officer may designate which test or tests are administered.

17 (3) A person who is unconscious or who is otherwise in a condition rendering the person incapable of
18 refusal is considered not to have withdrawn the consent provided by subsection (1).

19 (4) If an arrested person refuses to submit to one or more tests requested and designated by the
20 officer as provided in subsection (2), the refused test or tests may not be given except as provided in
21 subsection (5), but the officer shall, on behalf of the department, immediately seize the person's driver's license.
22 The peace officer shall immediately forward the license to the department, along with a report certified under
23 penalty of law stating which of the conditions set forth in subsection (2)(a) provides the basis for the testing
24 request and confirming that the person refused to submit to one or more tests requested and designated by the
25 peace officer. Upon receipt of the report, the department shall suspend the license for the period provided in
26 subsection (8).

27 (5) If the arrested person has refused to provide a breath, blood, ~~or urine,~~ or oral fluid sample under
28 61-8-409 or this section in a prior investigation in this state or under a substantially similar statute in another

jurisdiction or the arrested person has a prior conviction or pending offense for a violation of 45-5-104, 45-5-106, 45-5-205, 61-8-401, 61-8-406, or 61-8-411 or a similar statute in another jurisdiction, the officer may apply for a search warrant to be issued pursuant to 46-5-224 to collect a sample of the person's blood for testing.

(6) (a) An arrested person who refuses to submit to one or more tests as provided in subsection (4) shall pay the department an administrative fee of \$300, which must be deposited in the state special revenue account established pursuant to subsection (6)(b).

(b) There is a blood-draw search warrant processing account in the state special revenue fund established pursuant to 17-2-102(1)(b). Money provided to the department of justice pursuant to this subsection (6) must be deposited in the account and may be used only for the purpose of providing forensic analysis of a driver's blood to determine the presence of alcohol or drugs.

(c) The department shall adopt rules establishing procedures for the collection, distribution, and strict accountability of any funds received pursuant to this section.

(7) Upon seizure of a driver's license, the peace officer shall issue, on behalf of the department, a temporary driving permit, which is effective 12 hours after issuance and is valid for 5 days following the date of issuance, and shall provide the driver with written notice of the license suspension and the right to a hearing provided in 61-8-403.

(8) (a) Except as provided in subsection (8)(b), the following suspension periods are applicable upon refusal to submit to one or more tests:

(i) upon a first refusal, a suspension of 6 months with no provision for a restricted probationary license;

(ii) upon a second or subsequent refusal within 5 years of a previous refusal, as determined from the records of the department, a suspension of 1 year with no provision for a restricted probationary license.

(b) If a person who refuses to submit to one or more tests under this section is the holder of a commercial driver's license, in addition to any action taken against the driver's noncommercial driving privileges, the department shall:

(i) upon a first refusal, suspend the person's commercial driver's license for a 1-year period; and

(ii) upon a second or subsequent refusal, suspend the person's commercial driver's license for life, subject to department rules adopted to implement federal rules allowing for license reinstatement, if the person

1 is otherwise eligible, upon completion of a minimum suspension period of 10 years. If the person has a prior
2 conviction of a major offense listed in 61-8-802(2) arising from a separate incident, the conviction has the same
3 effect as a previous testing refusal for purposes of this subsection (8)(b).

4 (9) A nonresident driver's license seized under this section must be sent by the department to the
5 licensing authority of the nonresident's home state with a report of the nonresident's refusal to submit to one or
6 more tests.

7 (10) The department may recognize the seizure of a license of a tribal member by a peace officer
8 acting under the authority of a tribal government or an order issued by a tribal court suspending, revoking, or
9 reinstating a license or adjudicating a license seizure if the actions are conducted pursuant to tribal law or
10 regulation requiring alcohol or drug testing of motor vehicle operators and the conduct giving rise to the actions
11 occurred within the exterior boundaries of a federally recognized Indian reservation in this state. Action by the
12 department under this subsection is not reviewable under 61-8-403.

13 (11) A suspension under this section is subject to review as provided in this part.

14 (12) This section does not apply to tests, samples, and analyses of blood, ~~or~~ breath, or urine used for
15 purposes of medical treatment or care of an injured motorist, related to a lawful seizure for a suspected
16 violation of an offense not in this part, or performed pursuant to a search warrant.

17 (13) This section does not prohibit the release of information obtained from tests, samples, and
18 analyses of blood or breath for law enforcement purposes as provided in 46-4-301 and 61-8-405(6)."
19

20 **Section 92.** Section 61-8-404, MCA, is amended to read:

21 **"61-8-404. Evidence admissible -- conditions of admissibility.** (1) Upon the trial of a criminal
22 action or other proceeding arising out of acts alleged to have been committed by a person in violation of 61-8-
23 401, 61-8-406, 61-8-410, 61-8-411, 61-8-465, or 61-8-805:

24 (a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of
25 alcohol and drugs in the person at the time of a test, as shown by an analysis of the person's blood, ~~or~~ breath,
26 or oral fluid, is admissible. A positive test result does not, in itself, prove that the person was under the influence
27 of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a
28 violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent

evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving or in actual physical control of a motor vehicle within this state.

(b) a report of the facts and results of one or more tests of a person's blood, ~~or~~ breath, or oral fluid is admissible in evidence if:

(i) a breath test or preliminary alcohol screening test was performed by a person certified by the forensic sciences division of the department to administer the test;

(ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a laboratory exempt from certification under the rules of the department and the blood was withdrawn from the person by a person competent to do so under 61-8-405(1);

(c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a person is admissible in evidence if it was made by a person trained by the department or by a person who has received training recognized by the department.

(2) If the person under arrest refused to submit to one or more tests under 61-8-402, whether or not a sample was subsequently collected for any purpose, proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol, drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was under the influence. The inference is rebuttable.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs."

Section 93. Section 61-8-405, MCA, is amended to read:

"61-8-405. Administration of tests. (1) Only a physician, registered nurse, or other qualified person acting under the supervision and direction of a physician or registered nurse may, at the request of a peace officer, withdraw blood for the purpose of determining any measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the person. This limitation does not apply to the sampling of breath.

(2) In addition to any test administered at the direction of a peace officer, a person may request that an independent blood sample be drawn by a physician or registered nurse for the purpose of determining any measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the person. The peace officer may not unreasonably impede the person's right to obtain an independent blood test. The officer may but has no duty to transport the person to a medical facility or otherwise assist the person in obtaining the test. The cost of an independent blood test is the sole responsibility of the person requesting the test. The failure or inability to obtain an independent test by a person does not preclude the admissibility in evidence of any test given at the direction of a peace officer.

(3) Upon the request of the person tested, full information concerning any test given at the direction of the peace officer must be made available to the person or the person's attorney.

(4) A physician, registered nurse, or other qualified person acting under the supervision and direction of a physician or registered nurse does not incur any civil or criminal liability as a result of the proper administering of a blood test when requested in writing by a peace officer to administer a test.

(5) The department in cooperation with any appropriate agency shall adopt uniform rules for the giving of tests and may require certification of training to administer the tests as considered necessary.

(6) If a peace officer has probable cause to believe that a person has violated 61-8-401, 61-8-406, 61-8-410, 61-8-411, 61-8-465, or 61-8-805 and a sample of blood, breath, urine, oral fluid, or other bodily substance is taken from that person for any reason, a portion of that sample sufficient for analysis must be provided to a peace officer if requested for law enforcement purposes and upon issuance of a subpoena as provided in 46-4-301."

Section 94. Section 61-8-409, MCA, is amended to read:

"61-8-409. Preliminary alcohol or drug screening test. (1) A person who operates or is in actual physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a preliminary alcohol screening test of the person's breath, for the purpose of estimating the person's alcohol concentration, or a preliminary drug screening test of a person's oral fluid for the purpose of estimating the person's drug concentration(s), upon the request of a peace officer who has a particularized suspicion that the person was driving or in actual physical control of a vehicle upon ways of this state open to the public while

1 under the influence of alcohol, drugs, or a combination of alcohol and drugs or in violation of 61-8-410 or 61-8-
2 465.

3 (2) The person's obligation to submit to a test under 61-8-402 is not satisfied by the person submitting
4 to a preliminary alcohol screening test, preliminary drug screening test, or both pursuant to this section.

5 (3) The peace officer shall inform the person of the right to refuse the test and that the refusal to
6 submit to the preliminary alcohol screening test, preliminary drug screening test, or both will result in the
7 suspension for up to 1 year of that person's driver's license.

8 (4) If the person refuses to submit to a test under this section, a test will not be given except as
9 provided in 61-8-402(5). However, the refusal is sufficient cause to suspend the person's driver's license as
10 provided in 61-8-402.

11 (5) A hearing as provided for in 61-8-403 must be available. The issues in the hearing must be limited
12 to determining whether a peace officer had a particularized suspicion that the person was driving or in actual
13 physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol or in
14 violation of 61-8-410 and whether the person refused to submit to the alcohol test.

15 (6) The provisions of 61-8-402(3) through (10) that do not conflict with this section are applicable to
16 refusals under this section. If a person refuses a test requested under 61-8-402 and this section for the same
17 incident, the department may not consider each a separate refusal for purposes of suspension under 61-8-402.

18 (7) A test may not be conducted or requested under this section unless both the peace officer and the
19 instrument used to conduct the preliminary alcohol screening test or preliminary drug screening test have been
20 certified by the department pursuant to rules adopted under the authority of 61-8-405(5)."

21
22 **Section 95.** Section 61-8-442, MCA, is amended to read:

23 **"61-8-442. Driving under influence of alcohol or drugs -- driving with excessive alcohol**
24 **concentration -- ignition interlock device -- 24/7 sobriety and drug monitoring program -- forfeiture of**
25 **vehicle.** (1) In addition to the punishments provided in 61-8-714, 61-8-722, and 61-8-465, regardless of
26 disposition and if a probationary license is recommended by the court, the court may, for a person convicted of
27 a first offense under 61-8-401, 61-8-406, 61-8-411, or 61-8-465:

28 (a) restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock

device during the probationary period and require the person to pay the reasonable cost of leasing, installing, and maintaining the device; or

(b) require the person to participate in a court-approved alcohol or drug detection testing program and pay the fees associated with the testing program.

(2) If a person is convicted of a second or subsequent violation of 61-8-401, 61-8-406, 61-8-411, or 61-8-465, in addition to the punishments provided in 61-8-714, 61-8-722, and 61-8-465, regardless of disposition, the court shall:

(a) if recommending that a probationary license be issued to the person, restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and require the person to pay the reasonable cost of leasing, installing, and maintaining the device;

(b) require the person to participate in the 24/7 sobriety and drug monitoring program provided for in 44-4-1203 and pay the fees associated with the program or require the person to participate in a court-approved alcohol or drug detection testing program and pay the fees associated with the testing program; or

(c) order that each motor vehicle owned by the person at the time of the offense be seized and subjected to the forfeiture procedure provided under 61-8-421.

(3) Any restriction or requirement imposed under this section must be included in a report of the conviction made by the court to the department in accordance with 61-11-101 and placed upon the person's driving record maintained by the department in accordance with 61-11-102.

(4) The duration of a restriction imposed under this section must be monitored by the department.

(5) All court-approved alcohol or drug detection testing programs allowed under this section are required to use the state's data management system pursuant to 44-4-1203."

Section 96. Section 61-11-101, MCA, is amended to read:

"61-11-101. Report of convictions and suspension or revocation of driver's licenses -- surrender of licenses. (1) If a person is convicted of an offense for which chapter 5 or chapter 8, part 8, makes mandatory the suspension or revocation of the driver's license or commercial driver's license of the person by the department, the court in which the conviction occurs shall require the surrender to it of all driver's licenses then held by the convicted person. The court shall, within 5 days after the conviction, forward the

1 license and a record of the conviction to the department. If the person does not possess a driver's license, the
2 court shall indicate that fact in its report to the department.

3 (2) A court having jurisdiction over offenses committed under a statute of this state or a municipal
4 ordinance regulating the operation of motor vehicles on highways, except for standing or parking statutes or
5 ordinances, shall forward a record of the conviction, as defined in 61-5-213, to the department within 5 days
6 after the conviction. The court may recommend that the department issue a restricted probationary license on
7 the condition that the individual comply with the requirement that the person attend and complete a chemical
8 dependency education course, treatment, or both, as ordered by the court under 61-8-732.

9 (3) A court or other agency of this state or of a subdivision of the state that has jurisdiction to take any
10 action suspending, revoking, or otherwise limiting a license to drive shall report an action and the adjudication
11 upon which it is based to the department within 5 days on forms furnished by the department.

12 (4) (a) On a conviction referred to in subsection (1) of a person who holds a commercial driver's
13 license or who is required to hold a commercial driver's license, a court may not take any action, including
14 deferring imposition of judgment, that would prevent a conviction for any violation of a state or local traffic
15 control law or ordinance, except a parking law or ordinance, in any type of motor vehicle, from appearing on the
16 person's driving record. The provisions of this subsection (4)(a) apply only to the conviction of a person who
17 holds a commercial driver's license or who is required to hold a commercial driver's license and do not apply to
18 the conviction of a person who holds any other type of driver's license.

19 (b) For purposes of this subsection (4), "who is required to hold a commercial driver's license" refers
20 to a person who did not have a commercial driver's license but who was operating a commercial motor vehicle
21 at the time of a violation of a state or local traffic control law or ordinance resulting in a conviction referred to in
22 subsection (1).

23 (5) (a) If a person who holds a valid registry identification card or license issued pursuant to ~~50-46-~~
24 ~~307~~ section 17 or ~~50-46-308~~ 16-12-203 is convicted of or pleads guilty to any offense related to driving under
25 the influence of alcohol or drugs when the initial offense with which the person was charged was a violation of
26 61-8-401, 61-8-406, 61-8-410, or 61-8-411, the court in which the conviction occurs shall require the person to
27 surrender the registry identification card or license.

28 (b) Within 5 days after the conviction, the court shall forward the registry identification card and a copy

of the conviction to the ~~department of public health and human services~~department of revenue."
