Subject: Public Comment for Bill SB-164: Revise non-degradation standard for nitrates
2021-02-03 03:00 PM - (S) Natural Resources Successfully Submitted on 02-02-21 06:59

Details:

Bill: SB-164: Revise non-degradation standard for nitrates 2021-02-03 03:00 PM - (S) Natural Resources

Position: Proponent

Representing an Entity/Another Person: No

Organization: N/A

Name: Donald Saisbury, R.S.

Email: saisnut@yahoo.com

Phone: (406) 370-0392

City, State: Kalispell, MT

Written Statement: I believe this to be a good change. It opens the door to being able to develop properties more clearly and consistently. I think this change would simplify things as well. It is hard to explain to clients why we have to show they passed non-deg to 5mg/L for nitrates, but the MCL is 10mg/L.
