26 or taxing unit, and not more than 10 acres within the municipality or taxing unit may be exempted.

27 (2) (a) (i) For the purposes of tribal property under subsection (1)(a)(viii), the property subject to

- 10 (b) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal
- 11 Internal Revenue Code:

- 16 (iv) a Christian Science practitioner.
- 17 (c) For the purposes of subsection (1)(i):

- 19 requirements:
- 20 (A) The organization offers its charitable goods or services to persons without regard to race, religion,
- 21 creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal
- 22 Revenue Code, as amended.
- 23 (B) The organization accomplishes its activities through absolute gratuity or grants. However, the
- 24 organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public
- 25 performances or entertainment or by other similar types of fundraising activities.
- 26 (ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is
- 27 used by the charity to produce unrelated business taxable income as that term is defined in section 512 of the
- 28 Internal Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file

1 annually with the department a copy of its federal tax return reporting any unrelated business taxable income

6 property is not directly used for the charitable purpose within 8 years of receiving an exemption under this
7 section or if the property is sold or transferred before it entered direct charitable use, the exemption is revoked
8 and the property is taxable. In addition to taxes due for the first year that the property becomes taxable, the
9 owner of the property shall pay an amount equal to the amount of the tax due that year times the number of
10 years that the property was tax-exempt under this section. The amount due is a lien upon the property and
11 when collected must be distributed by the treasurer to funds and accounts in the same ratio as property tax
12 collected on the property is distributed. At the time the exemption is granted, the department shall file a notice
13 with the clerk and recorder in the county in which the property is located. The notice must indicate that an
14 exemption pursuant to this section has been granted. The notice must describe the penalty for default under
15 this section and must specify that a default under this section will create a lien on the property by operation of
16 law. The notice must be on a form prescribed by the department.

17 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption
18 originally applied for after December 31, 2004. An application for exemption under this section must contain a

20 (d) For the purposes of subsection (1)(k), the term "public museums, art galleries, zoos, and
21 observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold
22 property for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property
23 includes all real and personal property owned by the public museum, art gallery, zoo, or observatory that is
24 reasonably necessary for use in connection with the public display or observatory use. Unless the property is
25 leased for a profit to a governmental entity or nonprofit organization by an individual or for-profit organization,
26 real and personal property owned by other persons is exempt if it is:

- 27 (i) actually used by the governmental entity or nonprofit organization as a part of its public display;
28 (ii) held for future display; or

1 (iii) used to house or store a public display.

8 **Section 6.** Section 15-7-102, MCA, is amended to read:

9 **"15-7-102. Notice of classification, market value, and taxable value to owners -- appeals.** (1) (a)

10 Except as provided in 15-7-138, the department shall mail or provide electronically to each owner or purchaser
11 under contract for deed a notice that includes the land classification, market value, and taxable value of the
12 land and improvements owned or being purchased. A notice must be mailed or, with property owner consent,
13 provided electronically to the owner only if one or more of the following changes pertaining to the land or
14 improvements have been made since the last notice:

15 (i) change in ownership;

16 (ii) change in classification;

17 (iii) change in valuation; or

18 (iv) addition or subtraction of personal property affixed to the land.

19 (b) The notice must include the following for the taxpayer's informational and informal classification
20 and appraisal review purposes:

21 (i) a notice of the availability of ~~all the property tax assistance programs available to property~~
22 ~~taxpayers, including the intangible land value assistance program provided for in 15-6-240, the property tax~~
23 ~~assistance programs provided for in Title 15, chapter 6, part 3, and the residential property tax credit for the~~
24 ~~elderly provided for in 15-30-2337 through 15-30-2341~~ the property tax and rent-equivalent property tax circuit
25 breaker credit provided for in [sections 1 through 4];

26 (ii) the total amount of mills levied against the property in the prior year;

27 (iii) a statement that the notice is not a tax bill; and

28 (iv) a taxpayer option to request an informal classification and appraisal review by checking a box on

1 the notice and returning it to the department.

2 (c) When the department uses an appraisal method that values land and improvements as a unit,
3 including the sales comparison approach for residential condominiums or the income approach for commercial
4 property, the notice must contain a combined appraised value of land and improvements.

5 (d) Any misinformation provided in the information required by subsection (1)(b) does not affect the
6 validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

7 (2) (a) Except as provided in subsection (2)(c), the department shall assign each classification and
8 appraisal to the correct owner or purchaser under contract for deed and mail or provide electronically the notice
9 in written or electronic form, adopted by the department, containing sufficient information in a comprehensible
10 manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of
11 changes over the prior tax year.

12 (b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an
13 appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in
14 15-1-402.

15 (c) The department is not required to mail or provide electronically the notice to a new owner or
16 purchaser under contract for deed unless the department has received the realty transfer certificate from the
17 clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by
18 subsection (2)(a) are mailed or provided electronically. The department shall notify the county tax appeal board
19 of the date of the mailing or the date when the taxpayer is informed the information is available electronically.

20 (3) (a) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the
21 market value of the property as determined by the department or with the classification of the land or
22 improvements, the owner may request an informal classification and appraisal review by submitting an
23 objection on written or electronic forms provided by the department for that purpose or by checking a box on the
24 notice and returning it to the department in a manner prescribed by the department.

25 (i) For property other than class three property described in 15-6-133, class four property described in
26 15-6-134, and class ten property described in 15-6-143, the objection must be submitted within 30 days from
27 the date on the notice.

28 (ii) For class three property described in 15-6-133 and class four property described in 15-6-134, the

1 objection may be made only once each valuation cycle. An objection must be made in writing or by checking a
2 box on the notice within 30 days from the date on the classification and appraisal notice for a reduction in the
3 appraised value to be considered for both years of the 2-year valuation cycle. An objection made more than 30
4 days from the date of the classification and appraisal notice will be applicable only for the second year of the 2-
5 year valuation cycle. For an objection to apply to the second year of the valuation cycle, the taxpayer must
6 make the objection in writing or by checking a box on the notice no later than June 1 of the second year of the
7 valuation cycle or, if a classification and appraisal notice is received in the second year of the valuation cycle,
8 within 30 days from the date on the notice.

9 (iii) For class ten property described in 15-6-143, the objection may be made at any time but only once
10 each valuation cycle. An objection must be made in writing or by checking a box on the notice within 30 days
11 from the date on the classification and appraisal notice for a reduction in the appraised value to be considered
12 for all years of the 6-year appraisal cycle. An objection made more than 30 days after the date of the
13 classification and appraisal notice applies only for the subsequent remaining years of the 6-year reappraisal
14 cycle. For an objection to apply to any subsequent year of the valuation cycle, the taxpayer must make the
15 objection in writing or by checking a box on the notice no later than June 1 of the year for which the value is
16 being appealed or, if a classification and appraisal notice is received after the first year of the valuation cycle,
17 within 30 days from the date on the notice.

18 (b) If the objection relates to residential or commercial property and the objector agrees to the
19 confidentiality requirements, the department shall provide to the objector, by posted mail or electronically, within
20 8 weeks of submission of the objection, the following information:

21 (i) the methodology and sources of data used by the department in the valuation of the property; and
22 (ii) if the department uses a blend of evaluations developed from various sources, the reasons that the
23 methodology was used.

24 (c) At the request of the objector, and only if the objector signs a written or electronic confidentiality
25 agreement, the department shall provide in written or electronic form:

26 (i) comparable sales data used by the department to value the property; and
27 (ii) sales data used by the department to value residential property in the property taxpayer's market
28 model area.

1 (d) For properties valued using the income approach as one approximation of market value, notice
2 must be provided that the taxpayer will be given a form to acknowledge confidentiality requirements for the
3 receipt of all aggregate model output that the department used in the valuation model for the property.

4 (e) The review must be conducted informally and is not subject to the contested case procedures of
5 the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual
6 selling price of the property and other relevant information presented by the taxpayer in support of the
7 taxpayer's opinion as to the market value of the property. The department shall consider an independent
8 appraisal provided by the taxpayer if the appraisal meets standards set by the Montana board of real estate
9 appraisers and the appraisal was completed within 6 months of the valuation date pursuant to 15-8-201. If the
10 department does not use the appraisal provided by the taxpayer in conducting the appeal, the department must
11 provide to the taxpayer the reason for not using the appraisal. The department shall give reasonable notice to
12 the taxpayer of the time and place of the review.

13 (f) After the review, the department shall determine the correct appraisal and classification of the land
14 or improvements and notify the taxpayer of its determination by mail or electronically. The department may not
15 determine an appraised value that is higher than the value that was the subject of the objection unless the
16 reason for an increase was the result of a physical change in the property or caused by an error in the
17 description of the property or data available for the property that is kept by the department and used for
18 calculating the appraised value. In the notification, the department shall state its reasons for revising the
19 classification or appraisal. When the proper appraisal and classification have been determined, the land must
20 be classified and the improvements appraised in the manner ordered by the department.

21 (4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an
22 appraisal or classification upon the taxpayer's objection unless:

23 (a) the taxpayer has submitted an objection on written or electronic forms provided by the department
24 or by checking a box on the notice; and

25 (b) the department has provided to the objector by mail or electronically its stated reason in writing for
26 making the adjustment.

27 (5) A taxpayer's written objection or objection made by checking a box on the notice and
28 supplemental information provided by a taxpayer that elects to check a box on the notice to a classification or

1 appraisal and the department's notification to the taxpayer of its determination and the reason for that
2 determination are public records. The department shall make the records available for inspection during regular
3 office hours.

4 (6) If a property owner feels aggrieved by the classification or appraisal made by the department after
5 the review provided for in subsection (3), the property owner has the right to first appeal to the county tax
6 appeal board and then to the state tax appeal board, whose findings are final subject to the right of review in
7 the courts. The appeal to the county tax appeal board, pursuant to 15-15-102, must be filed within 30 days from
8 the date on the notice of the department's determination. A county tax appeal board or the state tax appeal
9 board may consider the actual selling price of the property, independent appraisals of the property, and other
10 relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax
11 appeal board or the state tax appeal board determines that an adjustment should be made, the department
12 shall adjust the base value of the property in accordance with the board's order."

14 **Section 7.** Section 15-16-101, MCA, is amended to read:

15 **"15-16-101. Treasurer to publish notice -- manner of publication.** (1) Within 10 days after the
16 receipt of the property tax record, the county treasurer shall publish a notice specifying:

17 (a) that one-half of all taxes levied and assessed will be due and payable before 5 p.m. on the next
18 November 30 or within 30 days after the notice is postmarked and that unless paid prior to that time the amount
19 then due will be delinquent and will draw interest at the rate of 5/6 of 1% a month from the time of delinquency
20 until paid and 2% will be added to the delinquent taxes as a penalty;

21 (b) that one-half of all taxes levied and assessed will be due and payable on or before 5 p.m. on the
22 next May 31 and that unless paid prior to that time the taxes will be delinquent and will draw interest at the rate
23 of 5/6 of 1% a month from the time of delinquency until paid and 2% will be added to the delinquent taxes as a
24 penalty; and

25 (c) the time and place at which payment of taxes may be made.

26 (2) (a) The county treasurer shall send to the last-known address of each taxpayer a written notice,
27 postage prepaid, showing the amount of taxes and assessments due for the current year and the amount due
28 and delinquent for other years. The written notice must include:

1 (i) the taxable value of the property;

2 (ii) the total mill levy applied to that taxable value;

3 (iii) itemized city services and special improvement district assessments collected by the county;

4 (iv) the number of the school district in which the property is located;

5 (v) the amount of the total tax due that is levied as city tax, county tax, state tax, school district tax,
6 and other tax; and

7 (vi) a notice of the availability of ~~all the property tax assistance programs available to property~~
8 ~~taxpayers, including the intangible land value assistance program provided for in 15-6-240, the property tax~~
9 ~~assistance programs under Title 15, chapter 6, part 3, and the residential property tax credit for the elderly~~
10 ~~under 15-30-2337 through 15-30-2344~~ the property tax and rent-equivalent property tax circuit breaker credit
11 provided for in [sections 1 through 4].

12 (b) If a tax lien is attached to the property, the notice must also include, in a manner calculated to
13 draw attention, a statement that a tax lien is attached to the property, that failure to respond will result in loss of
14 property, and that the taxpayer may contact the county treasurer for complete information.

15 (3) The municipality shall, upon request of the county treasurer, provide the information to be included
16 under subsection (2)(a)(iii) ready for mailing.

17 (4) The notice in every case must be given as provided in 7-1-2121. Failure to publish or post notices
18 does not relieve the taxpayer from any tax liability. Any failure to give notice of the tax due for the current year
19 or of delinquent tax will not affect the legality of the tax.

20 (5) If the department revises an assessment that results in an additional tax of \$5 or less, an
21 additional tax is not owed and a new tax bill does not need to be prepared."

22
23 **Section 8.** Section 15-16-102, MCA, is amended to read:

24 **"15-16-102. Time for payment -- penalty for delinquency.** Unless suspended or canceled under the
25 provisions of 10-1-606 or Title 15, chapter 24, part 17, all taxes levied and assessed in the state of Montana,
26 except assessments made for special improvements in cities and towns payable under 15-16-103, are payable
27 as follows:

28 (1) One-half of the taxes are payable on or before 5 p.m. on November 30 of each year or within 30

1 days after the tax notice is postmarked, whichever is later, and one-half are payable on or before 5 p.m. on May
2 31 of each year.

3 (2) Unless one-half of the taxes are paid on or before 5 p.m. on November 30 of each year or within
4 30 days after the tax notice is postmarked, whichever is later, the amount payable is delinquent and draws
5 interest at the rate of 5/6 of 1% a month from and after the delinquency until paid and 2% must be added to the
6 delinquent taxes as a penalty.

7 (3) All taxes due and not paid on or before 5 p.m. on May 31 of each year are delinquent and draw
8 interest at the rate of 5/6 of 1% a month from and after the delinquency until paid, and 2% must be added to the
9 delinquent taxes as a penalty.

10 (4) ~~(a)~~ If the date on which taxes are due falls on a holiday or Saturday, taxes may be paid without
11 penalty or interest on or before 5 p.m. of the next business day in accordance with 1-1-307.

12 ~~(b) If taxes on property qualifying under the property tax assistance program provided for in 15-6-305~~
13 ~~are paid within 20 calendar days of the date on which the taxes are due, the taxes may be paid without penalty~~
14 ~~or interest. If a tax payment is made later than 20 days after the taxes were due, the penalty must be paid and~~
15 ~~interest accrues from the date on which the taxes were due.~~

16 (5) (a) A taxpayer may pay current year taxes without paying delinquent taxes. The county treasurer
17 shall accept a partial payment equal to the delinquent taxes, including penalty and interest, for one or more full
18 tax years if taxes currently due for the current tax year have been paid. Payment of taxes for delinquent taxes
19 must be applied to the taxes that have been delinquent the longest. The payment of taxes for the current tax
20 year is not a redemption of the property tax lien for any delinquent tax year.

21 (b) A payment by a co-owner of an undivided ownership interest that is subject to a separate
22 assessment otherwise meeting the requirements of subsection (5)(a) is not a partial payment.

23 (6) The penalty and interest on delinquent assessment payments for specific parcels of land may be
24 waived by resolution of the city council. A copy of the resolution must be certified to the county treasurer.

25 (7) If the department revises an assessment that results in an additional tax of \$5 or less, an
26 additional tax is not owed and a new tax bill does not need to be prepared.

27 (8) The county treasurer may accept a partial payment of centrally assessed property taxes as
28 provided in 76-3-207."

18 (3) An owner of less than all of the interest or a lienholder with an interest in real property who
 19 redeems a property tax lien on the property has a lien for the taxes paid on the interests of the property that are
 20 not owned by the redemptioner.

21 (4) The property tax lien may also be redeemed for a particular tax year by a partial payment of that
