

1 SENATE BILL NO. 11
2 INTRODUCED BY B. USHER
3 BY REQUEST OF THE LAW AND JUSTICE INTERIM COMMITTEE
4
5 A BILL FOR AN ACT ENTITLED: "AN ACT GENERALLY REVISING CRIMINAL JUSTICE SYSTEM LAWS;
6 CREATING A MONTANA CRIMINAL JUSTICE DATA WAREHOUSE; ~~ESTABLISHING A CRIMINAL JUSTICE~~
7 ~~COORDINATING COUNCIL AND PROVIDING FOR MEMBERS AND DUTIES; ALLOWING THE~~
8 LEGISLATIVE FISCAL ANALYST AND LEGISLATIVE SERVICES DIVISION DIRECTOR DIRECT ACCESS
9 TO THE DATA WAREHOUSE; REVISING DUTIES AND MEMBERSHIP OF THE CRIMINAL JUSTICE
10 OVERSIGHT COUNCIL; ESTABLISHING DATA PROJECT PRIORITIES FOR THE 2024-2025 INTERIM;
11 ESTABLISHING REPORTING REQUIREMENTS; PROVIDING DEFINITIONS; PROVIDING AN
12 APPROPRIATION; AMENDING SECTIONS 1-1-207, 5-12-303, 46-1-1103, AND 53-1-216, MCA; AND
13 PROVIDING AN IMMEDIATE EFFECTIVE DATE."
14

15 WHEREAS, the lack of complete, consistent, and integrated criminal justice system data has stymied
16 legislative efforts to allocate financial resources and to enact policy changes that would improve outcomes for
17 offenders and crime victims; and

18 WHEREAS, the seemingly separate pieces of the state and local criminal justice system are
19 intertwined, and the state cannot make effective changes without supporting its local partners; and

20 WHEREAS, the Law and Justice Interim Committee studied criminal justice data needs and gaps as
21 part of an interim study; and

22 WHEREAS, as part of the study, state and local stakeholders and committee members spent hours
23 identifying problems and discussing solutions; and

24 WHEREAS, improved state and local criminal justice system data collection, sharing, and integration
25 will help change the current reactionary nature of the system; and

26 WHEREAS, improved state and local criminal justice system data collection, sharing, and integration
27 can create efficiencies to save money in the future by reducing or eliminating time-consuming and sometimes
28 redundant data entry; and

1 WHEREAS, any savings from efficiencies created from improved state and local criminal justice system
2 data collection, sharing, and integration or from improved policy choices can benefit both state and local
3 stakeholder and taxpayers, regardless of where in the system an improvement is made; and

4 WHEREAS, improved state and local criminal justice system data collection, sharing, and integration
5 ultimately drives public safety by informing funding, policy, caseload, and staffing decisions, as well as how
6 policy decisions can affect prison and supervision populations and recidivism.

7 WHEREAS, to ensure that data collection is a means to an end, the state must adopt a workable and
8 meaningful definition of recidivism to which data may be applied.

9
10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11
12 NEW SECTION. Section 1. Definitions. As used in [sections 1 through 3 AND 2], unless the context
13 clearly indicates otherwise, the following definitions apply:

14 (1) "Agency" has the meaning provided in 2-15-102.

15 (2) "Board" means the board of crime control established in 2-15-2008.

16 (3) "Contributing entity" means an agency, the office of court administrator, a local government
17 entity, a nongovernment entity, a tribal government, or a federal government that submits data to the criminal
18 justice data warehouse.

19 (4) "Council" means the criminal justice coordinating OVERSIGHT council established in [section 3]
20 53-1-216.

21 (5) "Detention center" has the meaning provided in 7-32-2241.

22 (6) "Local government entity" includes a city, county, or consolidated city-county government entity
23 including but not limited to a county attorney office, law enforcement agency, detention center, court, or other
24 entity created by the city, county, or consolidated city-county government.

25 (7) "Nongovernment entity" includes a community corrections facility or program established under
26 Title 53, chapter 30, part 3, or other prereleases, treatment centers, or providers that contract with the
27 department of corrections.

28

1 NEW SECTION. Section 2. Criminal justice data warehouse. (1) There is a criminal justice data
2 warehouse housed in the board of crime control. The purpose of the criminal justice data warehouse is to
3 receive, store, secure, and maintain data and information from contributing entities to assist state and local
4 officials to make data-informed decisions about the criminal justice system.

5 (2) (a) An agency and the court administrator shall contribute data and information to the criminal
6 justice data warehouse on request by the ~~council~~ BOARD. A local government entity, a nongovernment entity, a
7 tribal government, or a federal government entity may submit data and information to the criminal justice data
8 warehouse.

9 (b) A contributing entity retains ownership of the data it contributes to the criminal justice data
10 warehouse.

11 (3) As the administering agency of the criminal justice data warehouse, the board shall:

12 (a) adopt a memorandum of understanding with the department of administration for the provision
13 of any technical assistance or services required to establish and maintain the criminal justice data warehouse;

14 (b) work in conjunction with the ~~council~~ DEPARTMENT OF ADMINISTRATION to assure the confidentiality
15 of all records and data collected in the criminal justice data warehouse and to assure compliance with the
16 applicable state and federal laws governing the privacy of records, data, and personally identifiable information;

17 (c) CONSULT AND collaborate with the council to manage PRIORITY DATA TO REQUEST FROM
18 CONTRIBUTING ENTITIES, DATA REQUESTS, AND RESEARCH AND DATA REQUESTS USING DATA FROM the criminal justice
19 data warehouse;

20 (d) (i) identify and seek federal grant money that may be used for the purposes of establishing and
21 maintaining the criminal justice data warehouse and achieving priorities established in law ~~for the council~~;

22 (ii) prioritize distribution of funds received pursuant to subsection (3)(d)(i) to contributing entities;

23 ~~and~~

24 (e) adopt a memorandum of understanding with each contributing entity. The memorandum of
25 understanding must describe the data and information being submitted and the schedule on which the data will
26 be submitted and identify the confidentiality of the information and any conditions or restrictions on the use of
27 the data or information; AND

28 (F) GRANT THE LEGISLATIVE FISCAL ANALYST AND THE LEGISLATIVE SERVICES DIVISION DIRECTOR DIRECT

1 ACCESS TO THE CRIMINAL JUSTICE DATA WAREHOUSE IN A MANNER THAT COMPLIES WITH THE REGULATIONS OF THE
2 RESPECTIVE FEDERAL PROGRAMS.

3 (4) The board, ~~in coordination with the council,~~ may:

4 (a) require an entity that contributes data or information to deliver the data or information in a
5 certain format and on schedules established for the criminal justice data warehouse;

6 (b) collaborate with the council and contributing entities to establish policies to address the
7 creation of reports generated through the query of records and data in the criminal justice data warehouse. A
8 nongovernment entity may only collaborate with respect to the data or information contributed by that
9 nongovernment entity; and

10 (c) adopt a standard memorandum of understanding that state and local criminal justice entities
11 and the courts may use to govern data-sharing agreements.

12
13 NEW SECTION. Section 3. — Criminal justice coordinating council -- membership -- duties. (1)

14 ~~There is a criminal justice coordinating council. The board shall provide staff assistance to the council.~~

15 (2) ~~The council consists of 21 members as follows:~~

16 (a) ~~two members of the house of representatives, one selected by the speaker of the house and~~
17 ~~one selected by the house minority leader;~~

- 15 ~~warehouse;~~
- 16 ~~(b) — working in collaboration with the board to establish and manage the criminal justice data~~
- 17 ~~warehouse; and~~
- 18 ~~(c) — completing other projects or analyses imposed by law.~~
- 19 ~~(5) — Using the process established in legislative rules for executive agency legislative requests, the~~
- 20 ~~council may request legislation to enact changes to the criminal justice data warehouse that the council finds~~
- 21 ~~necessary.~~
- 22 ~~(6) — (a) The council may establish an executive committee with duties as directed by the council.~~
- 23 ~~The executive committee must be composed of council members.~~
- 24 ~~(b) — The council may establish a working group to perform studies or duties as directed by the~~
- 25 ~~council. If appointed, the working group shall meet regularly and report to the council as the council requires.~~
- 26 ~~The working group may include representatives of criminal justice agencies and key constituencies that are not~~
- 27 ~~members of the council.~~
- 28 ~~(7) — The legislature, as well as contributing entities, has priority to request projects, reports, or data~~

1 analyses to be produced by a person authorized by the council. The council may deny a requested project,
2 report, or data analysis when the council determines the request is unduly burdensome, voluminous, or cost-
3 prohibitive.

4 ~~(8) Council members must be reimbursed for travel expenses as provided in 2-18-501 through 2-~~
5 ~~18-503. Members of the council who are full-time salaried officers or employees of this state or any political~~
6 ~~subdivision are entitled to their regular compensation. Legislative members must be compensated as provided~~
7 ~~in 5-2-302.~~

8
9 **NEW SECTION. Section 3. Projects for 2023-2024 interim.** (1) In preparation for the 2025
10 legislative session, the board and the criminal justice coordinating council shall prioritize the following projects:

11 (a) create a unique identifier to link data from separate state and local criminal justice agencies
12 and the judicial branch in a manner that is efficient and protects the confidentiality requirements for any
13 personally identifiable information;

14 (B) CONSULT WITH THE COUNCIL TO DETERMINE RESEARCH PRIORITIES TO ANSWER EXISTING QUESTIONS
15 ABOUT THE CRIMINAL JUSTICE SYSTEM, TO PRIORITIZE DATA COLLECTION, AND TO DEVELOP DATA WAREHOUSE
16 GOVERNANCE POLICIES;

17 ~~(b)(C)~~ identify and define the data elements that the board and the criminal justice coordinating
18 council shall collect to achieve the purposes of [sections 1 through 3 AND 2];

19 ~~(e)(D)~~ identify willing local stakeholders to create UP TO FOUR pilot projects to deposit existing local
20 criminal justice data in the criminal justice data warehouse, identify technology needs, and document data
21 processes;

22 ~~(d)(E)~~ create a list of the current vendors used by state and local criminal justice agencies and the
23 judicial branch;

24 ~~(e)(F)~~ identify and apply for federal funds that would help the board and the criminal justice
25 coordinating council begin and sustain work on the criminal justice data warehouse;

26 ~~(f)(G)~~ document data processes that are used to deposit data in the criminal justice data warehouse;

27 ~~(g)(H)~~ identify methods to share any state savings that could result from improved data collection and
28 integration with local governments; and

1 (h)(l) identify information from other state agencies, including the department of public health and
2 human services, or from tribal governments or the federal government that could be included in the criminal
3 justice data warehouse or that would be necessary to answer criminal justice research questions posed by the
4 ~~criminal justice coordinating council.~~

5 (2) The board ~~and the criminal justice coordinating council~~ shall:

6 (a) report to the COUNCIL AND THE law and justice interim committee at each regularly scheduled
7 meeting between [the effective date of this act] and September 15, 2024, and to other legislative interim
8 committees or administrative committees as requested; and

13

14 **Section 6.** SECTION 5-12-303, MCA, IS AMENDED TO READ:

15 **"5-12-303. Fiscal analysis information from state agencies.** (1) The legislative fiscal analyst may
16 investigate and examine the costs and revenue of state government activities and may examine and obtain
17 copies of the records, books, and files of any state agency, including confidential records.

18 (2) When confidential records and information are obtained from a state agency, the legislative
19 fiscal analyst and staff must be subject to the same penalties for unauthorized disclosure of the confidential
20 records and information provided for under the laws administered by the state agency. The legislative fiscal
21 analyst shall develop policies to prevent the unauthorized disclosure of confidential records and information
22 obtained from state agencies and may not disclose confidential records or information to legislators.

23 (3) (a) The department of revenue shall make Montana individual income tax information available
24 by removing names, addresses, and social security numbers and substituting in their place a state accounting
25 record identifier number. Except for the purposes of complying with federal law, the department may not alter
26 the data in any other way.

27 (b) The department of revenue shall provide the name and address of a taxpayer on written
28 request of the legislative fiscal analyst when the values on the requested return, including estimated payments,

1 are considered necessary by the legislative fiscal analyst to properly analyze state revenue and are of a
2 sufficient magnitude to materially affect the analysis and when the identity of the taxpayer is necessary to
3 evaluate the effect of the return or payments on the analysis being performed.

4 (4) (a) The department of public health and human services shall provide the legislative fiscal
5 analyst direct access to the department's secure data warehouse as the phases of the secure data warehouse
6 project are implemented.

7 (b) The department of public health and human services shall consult with the legislative fiscal
8 analyst and shall establish user requirements to ensure the legislative fiscal analyst does not have access to
9 direct identifiers stored on the secure data warehouse. The department of public health and human services
10 shall consult with the legislative fiscal analyst and shall establish requirements to ensure the legislative fiscal
11 analyst does not have access to direct identifiers stored in other data systems where the data is not available
12 through the secure data warehouse after the phases of the secure data warehouse project are implemented.

13 (c) The data must be made available to the legislative fiscal analyst in a format that complies with
14 the regulations of the respective federal programs.

15 (d) The department of public health and human services shall submit quarterly reports in an
16 electronic format to the legislative finance committee and the children, families, health, and human services
17 interim committee in accordance with 5-11-210 on the following:

- 18 (i) the implementation of the phases of the secure data warehouse project;
- 19 (ii) the user requirements established by the department and the legislative fiscal analyst; and
- 20 (iii) the status of the legislative fiscal analyst's access to the secure data warehouse.

21 (5) The board of crime control shall provide the legislative fiscal analyst direct access to the
22 criminal justice warehouse established in [section 2] in a manner that complies with the regulations of the
23 respective federal programs.

24 ~~(5)~~(6) Within 1 day after the legislative finance committee presents its budget analysis to the
25 legislature, the budget director and the legislative fiscal analyst shall exchange expenditure and disbursement
26 recommendations by second-level expenditure detail and by funding sources detailed by accounting entity. This
27 information must be filed in the respective offices and be made available to the legislature and the public. In
28 preparing the budget analysis for the next biennium for submission to the legislature, the legislative fiscal

1 analyst shall use the base budget, the present law base, and new proposals as defined in 17-7-102.

2 ~~(6)~~(7) This section does not authorize publication or public disclosure of information if the law
3 prohibits publication or disclosure or if the department of revenue notifies the fiscal analyst that specified
4 records or information may contain confidential information."
