However, a person charged with violating this section may not be convicted if the person produces in court or the office of the arresting officer a driver's license issued to the person and valid at the time of the person's arrest.

(2) (a) Beginning September 1, 2025, a licensee may meet the requirements of subsection (1) by having a digital or hard copy version of the licensee's driver's license in the licensee's immediate possession at all times when operating a motor vehicle and displaying the license upon demand.

(b) Only a digital or hard copy version of the licensee's driver's license issued and authorized by the department is sufficient to meet the requirements of this section."
