**HJR 10 PROPOSED BILL #2**

A Bill for an Act entitled: "An Act allowing the department of natural resources and conservation and a board of county commissioners to restrict activity on wildland areas where there exists a high fire hazard; clarifying the governor's authority to close areas to access upon a declaration of an emergency or disaster related to fire danger; prohibiting a person from accessing land that is closed and providing for a permit process under certain circumstances; clarifying the authority of the presiding officer of a board of county commissioners to close areas to access upon a declaration of an emergency or disaster; clarifying that when the governor or a presiding officer of a board of county commissioners closes an area to access, that area is also closed to hunting and fishing; and amending sections 10-3-104, 10-3-406, and 87-3-106, MCA."

Be it enacted by the Legislature of the State of Montana:

**NEW SECTION. Section 1. Activity restrictions in high fire hazard area.** The department may designate areas on state and private lands as high fire hazard areas and may require all persons, firms, or corporations present or engaged in any

activity in the high fire hazard areas to cease operations or activities or to adjust working hours to less critical periods of the day.

NEW SECTION. **Section 2. Wildland closure.** (1) A person may not access a wildland area designated as closed to access by a governor's proclamation of an emergency or disaster issued under Title 10, chapter 3, parts 1 through 3 except under a written permit issued by a recognized agency.

(2) Permits to enter upon closed areas may be issued by a recognized agency upon a showing of real need by the applicant. Permits may be issued to individuals having actual residence as a permanent or principal place of abode in the designated areas or to individuals engaged in employment that does not present a fire hazard.

(3) A permit is not required of individuals engaged in firefighting, fire prevention, or law enforcement or who are engaged in official business.

NEW SECTION. **Section 3. Activity restrictions in high fire hazard area.** (1) A board of county commissioners may designate areas on private land or on land that is not under the jurisdiction of a municipality or a state or federal agency as high fire hazard areas.

(2) Except as provided in 87-3-106(2), in designated high fire hazard areas, the board may require all persons, firms, or corporations present or engaged in any activity in those areas to

cease activity or operations or to adjust working hours to less critical periods of the day.

(3) The presiding officer of the board may control ingress and egress into a high fire hazard area if an emergency or disaster is declared under the provisions of Title 10, chapter 3, part 4.

**Section 4.** Section 10-3-104, MCA, is amended to read:

**"10-3-104. General authority of governor.** (1) The governor is responsible for carrying out parts 1 through ~~4~~ 3 of this chapter.

(2) In addition to any other powers conferred upon the governor by law, the governor may:

(a) suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or orders or rules of any state agency if the strict compliance with the provisions of any statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency or disaster;

(b) direct and compel the evacuation of all or part of the population from an emergency or disaster area within the state if the governor considers this action necessary for the preservation of life or other disaster mitigation, response, or recovery;

(c) control ingress and egress to and from an incident or emergency or disaster area, the movement of persons within the area, and the occupancy of premises within the area.

(3) Under this section, the governor may issue executive
