**** Bill No. ****

Introduced By *****

By Request of the Children, Families, Health, and Human Services
Interim Committee

A Bill for an Act entitled: "An Act defining nonemergency ambulance transport; establishing staffing requirements for nonemergency and certain emergency ambulance transports; amending section 50-6-302, MCA; and providing an immediate effective date."

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-6-302, MCA, is amended to read:

"50-6-302. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Aircraft" has the same meaning given in 67-1-101. The term includes any fixed-wing airplane or helicopter.

(2) (a) "Ambulance" means a privately or publicly owned motor vehicle or aircraft that is maintained and used for the transportation of patients.

(b) The term does not include:

(i) a motor vehicle or aircraft owned by or operated under the direct control of the United States; or

(ii) air transportation services, such as charter or fixed-based operators, that are regulated by the federal aviation administration and that offer no special medical services or

provide only transportation to patients or persons at the direction or under the supervision of an independent physician.

(3) "Department" means the department of public health and human services provided for in 2-15-2201.

(4) "Emergency medical service" means a prehospital or interhospital emergency medical transportation or treatment service provided by an ambulance or nontransporting medical unit.

(5) "Medical control" means the function of a licensed physician in providing direction, advice, or orders to an emergency medical service provider.

(6) "Nonemergency ambulance transport" means the use of an ambulance to transport a patient between health care facilities, as defined in 50-5-101, when the patient is not in need of emergency medical service but is in need of transportation assistance because of the patient's medical condition.

(7) "Nontransporting medical unit" means an aggregate of persons who are organized to respond to a call for emergency medical service and to treat a patient until the arrival of an ambulance. Nontransporting medical units provide any one of varying types and levels of service defined by department rule but may not transport patients.

~~(7)~~(8) "Offline medical director" means a physician who is responsible and accountable for the overall medical direction and medical supervision of an emergency medical service and who is responsible for the proper application of patient care techniques and the quality of care provided by the emergency medical services personnel. The term includes only a physician who
