

## **Montana State Fund Safety Services Use**

### **Safety Workshops\***

Total workshops	78
Total attendance	1038

### **Safety Workshops - Ag**

By June 30, 2009 over 45 locations will have been covered. We attended each of your State Conventions, and will be at the Summer Meetings of MSGA and MFB. In addition, we were in Fairmount, Helena, Townsend, Red Lodge, Glasgow, Livingston Area, Plentywood, Lima, Dillon, Wise River, Willow Creek, Three forks, Whitehall, Melville, Roundup, Judith Gap, Jordan, Big Timber, Ennis, and a full workshop at the MGGA Tele-Cast covering over 15 locations and 210 enrolled. In some cases, we have done more than one workshop at a location, for example, we conducted three at locations around Three Forks, and two at the MSGA Convention. We still have two, at Miles City and Baker in June.

### **WorkSafe Champions**

- Graduated 58 WorkSafe Champions from Class 1 in May
- Overall class evaluation is 9.2
- Class 2 numbers 73 attendees
- Have conducted two classes of Class 2 in Great Falls and Helena
