

Legislative Services Division Report 2012

Title:

State Agency and County Weed District Biennial Noxious Weed Report
FY-2010 – 2011

Description:

The purpose of the report is to summarize weed management information from Biennial Reports received from 56 county weed districts and seven state agencies.

For the FY-10/11 report a web-based reporting system was created so counties and agencies could submit their information electronically. The deadline for submitting their information was June 1, 2012.

Recommendations for Copies:

Under 7-22-2151, MCA it requires each agency or entity listed in subsection (1) to post a copy of the summary on a state electronic access system.

Because the report will be available electronically there will be minimal printing cost.
