RE: Administrative Rule Review - December 2013
DATE: November 18, 2013

MONTANA STATE LIBRARY

Proposes to amend six rules, transfer one rule, and repeal one rule pertaining to the Montana Land Information Act. House bill 38 (2013) transferred the administration of the Montana Land Information Act from the Department of Administration to the State Library. The administrative rule proposal changes the references in rule from department to state library and clarified the process to complete the annual land information plan. Additionally, the State Library proposes to change one term from "theme champion" to "theme steward" to better reflect current usage.

The comment period is open until November 29, 2013.

No public hearing is contemplated.

The anticipated adoption date is December 11, 2013.
