If the first installment is not paid on or before said date, then the amount of this FIRST INSTALLMENT becomes delinquent. If the SECOND INSTALLMENT is not paid on said date, then the amount of the second installment becomes delinquent. When either installment becomes delinquent, a penalty of 2 percent is immediately added thereto, together with interest at the rate of 5/6 of 1 percent per month until paid. Payment of delinquent taxes must be applied to the taxes that have been delinquent the longest.

The TAXPAYER is responsible for ensuring that a timely postmark is obtained for payments remitted by mail.
