Dear Chairman Zanto:

The Economic Affairs Interim Committee at its April 14 meeting voted 6-2 to recommend that the Montana State Fund Board of Directors not buy the adjacent parking garage owned by the City of Helena. The Committee recognized that the Legislature does not have a role in the decision but took the action to give the Montana State Fund Board of Directors an indication of legislative concerns related to the purchase.

Thank you for sharing this information with the other Board members. If the Board would like further information, please contact the State Fund liaisons or listen to the audio minutes of the meeting online at [leg.mt.gov](http://leg.mt.gov).

Sincerely,

A handwritten signature in black ink, appearing to be "RLynch".

Rep. Ryan Lynch  
Presiding Officer, Economic Affairs Interim Committee
