

Figure 1 Associated General Contractors of America CMR Legal Study for Projects (AGC 2012). Green = CMR Authority; Tan = Limited Authority; Red = No Authority

*The reason there are so many more states shown as having the authority to use CMGC than in Figure 1 is that Figure 9 reflects the use by airport, rail transit, and municipal transportation agencies in addition to state highway agencies.

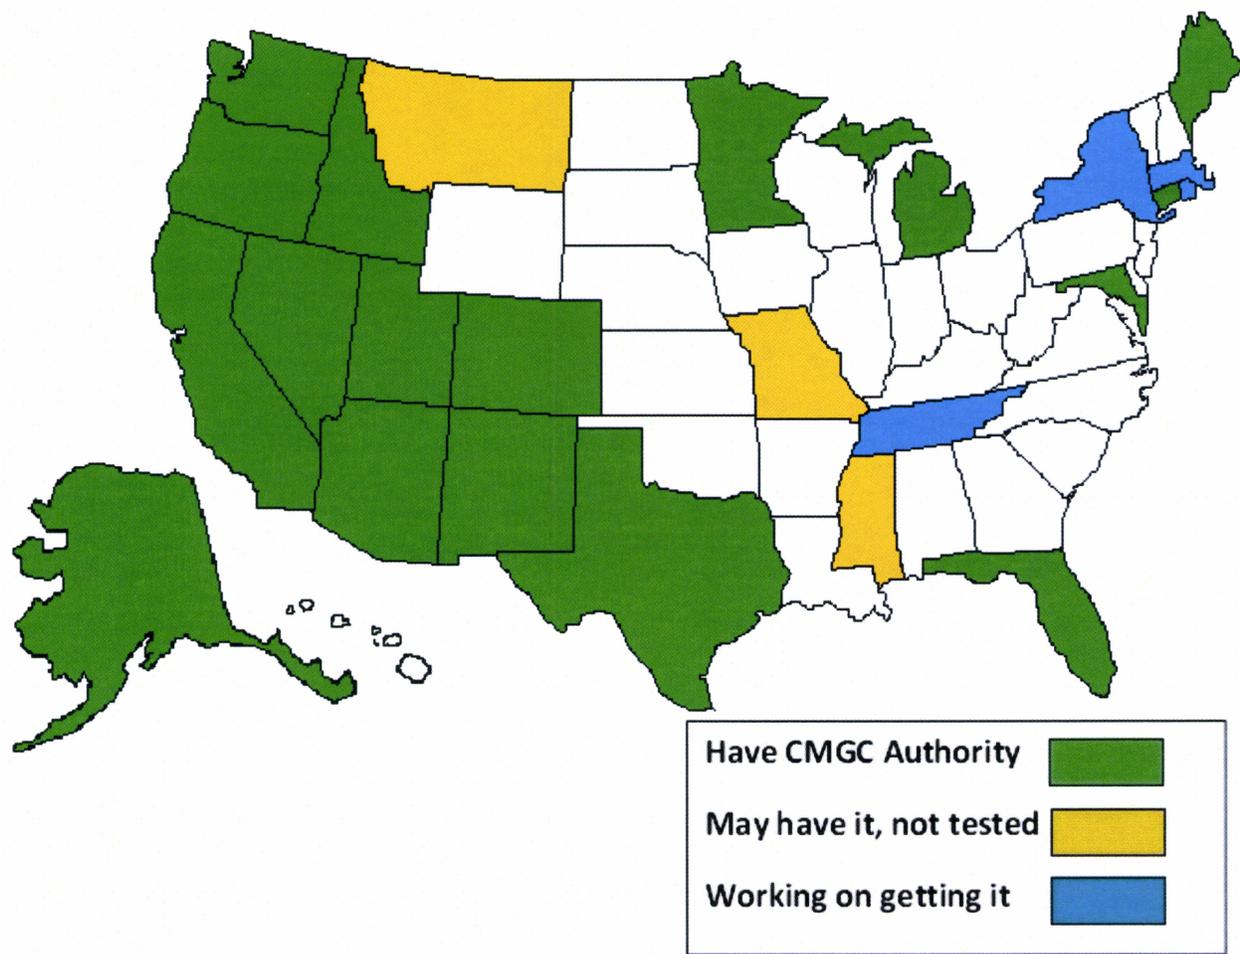

Figure 1 Status of CMR-CMGC Legislative Authority as of April 3, 2013.
