STATE OF MONTANA

REQUEST NO. 141-77

FISCAL NOTE

Form BD-15

In compliance with a written request received January 21, 19 77, there is hereby submitted a Fiscal Note for House Bill 261 pursuant to Chapter 53, Laws of Montana, 1965 - Thirty-Ninth Legislative Assembly.

Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

DESCRIPTION OF PROPOSED LEGISLATION:

House Bill 261 is an act to require mandatory minimum prison sentences for certain violent and drug related crimes and for any crime committed with a dangerous weapon without the option of deferred imposition or suspension of execution of the sentence.

ASSUMPTIONS:

1. Montana Board of Crime Control has 1975 data that shows approximately 75 persons convicted of violent and drug related crimes would receive deferred or suspended sentences under current law.
2. The 75 deferred or suspended sentences under current law would receive a two year sentence under the proposed law.
3. The average length of stay in the prison on a two year sentence is four months.
4. The average daily cost per person in the prison was \$27.52 for FY 76.
The average daily cost per person on probation was \$ 0.65 for FY 76.
The net increase in cost to the state would be \$26.87 per day.
5. Additional space could be provided to handle the increased population caused by House Bill 261.

FISCAL IMPACT:

	<u>FY 78</u>	<u>FY 79</u>
Increased cost of proposed legislation	<u>\$241,830</u>	<u>\$241,830</u>

LONG-RANGE EFFECT:

Since existing prison facilities are already overcrowded, additional facilities may be required to accommodate the population increase due to the proposed legislation.

JUDICIARY COMMITTEE

EXECUTIVE SESSION
January 24, 1977

The executive session of the Judiciary Committee was called to order after a short recess, with Chairman Scully presiding.

CHAIRMAN SCULLY appointed a sub-committee to examine the mandatory sentencing bills, numbers HB 261 and 188. The committee is composed of Representatives Ramirez, Chairman, Holmes, Conroy, Seifert, and Courtney and they are to report by Friday.

HOUSE BILL #7:

REPRESENTATIVE LORY mentioned that the intent of the bill was to be concerned with district judges and the supreme court and not the JP court. He moved an amendment on lines 5, 8, 11 and 15. He explained the districts and the cost of the additional judges. There would be 20 districts and 31 district judges at a cost of \$83,000. The motion to amend carried with the vote unanimous.

REPRESENTATIVE LORY moved "do pass as amended". Then followed some discussion about the cost of the training program. He mentioned that it would be more standardized and more uniform across the state. The LEAA funds are to start out the program and are usually cut off in 2 or 3 years. Discussion about the competency of various judges and that there was no way to test a judge before he became a judge. The motion carried with the vote unanimous.

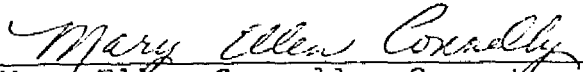

HOUSE BILL # 65:

REPRESENTATIVE RAMIREZ explained the finding of fact and conclusion of law. What this does is make it subject to review. Discussion about what the fiscal cost would be. It was mentioned that right now a district judge gets from 25 to 27,000 dollars. Mr. Ramirez moved the adoption of the proposed amendments. The motion carried with the vote unanimous. REPRESENTATIVE HOLMES moved "do pass as amended". After some further discussion the question was called and the motion carried with the vote unanimous.

The meeting adjourned at 11:20 a.m.

JOHN P. SCULLY, CHAIRMAN

Mary Ellen Connelly, Secretary

January 24, 1977

The hearing opened on House Bill #228:

REPRESENTATIVE HAND, DISTRICT #82:

The intent of this bill is to extend the law for people who are down and out. He discussed some of the cases that might cause a person to want to change their name.

PROPONENT, RUSSELL LaVIGNE, Jr., MONTANA LEGAL SERVICES:

Under present law the publication costs can range anywhere from 40 to 50 dollars. I believe the bill would help people who cannot afford to pay that cost. He explained his work and how the need might arise for someone to change their name.

There were no opponents.

Representative Hand stated that this was something that people really need. It is something we should consider very carefully.

The hearing closed on House Bill #228.

The hearing opened on House Bill #261-

REPRESENTATIVE RAMIREZ, DISTRICT #64:

This bill will require mandatory prison sentences for certain drug-related crimes. He went on to explain the bill more fully. There is a wide disparity between judges and this is unfair and whenever we have a system that is unfair it engenders bitterness. The system allows the offender to try to get the best deal he can, and it can be beaten. The system is so flexible that they are going to get the best deal that they can. He went on to explain how this is possible under present law. This bill is designed to give some guidelines and it provides some exceptions. The bill is patterned after a proposal that was first presented by President Ford. A bill was drafted based on this. He passed out a handout. This bill is to attack crimes committed against a person. He mentioned the five crimes this consists of, murder, rape, assault, kidnapping and robbery. He discussed the 2 year minimum mandatory sentence. The main difference here is that the judges will have some guidelines and if they are going to defer sentences there would be some rules to go by.

PROPONENT, TOM HONZEL, COUNTY ATTORNEYS ASSOCIATION:

There are several other bills that will be introduced regarding this same problem. We support this concept. I like this approach. It gives guidelines and it provides for a review process and it gives a county attorney something to work with.

A short recess was taken.

Mr. Honzel stated that the county attorneys association supports this type of legislation. There seems to be no consistency in the sentencing at the present time. This is because of the lack of some

type of guidelines and with this bill we would see more consistency in sentencing. The review process by the judge is a good thing because the judge could then defer a sentence. One of the biggest criticisms of mandatory is that it does away with flexibility but I think with the review process this will do away with that problem. He discussed the exception and said that he would like to see that part deleted. The problem that I see with the bill is that the Kennedy-the federal bill-would provide that there would be no parole for the minimum time.

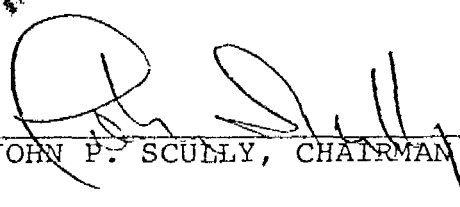

PROPONENT, TOM DOWLING, REPRESENTING THE COUNTY ATTORNEYS AND THE SHERIFF AND PEACE OFFICERS ASSOCIATION.

He discussed the bill and stated they were in favor of it. People don't feel safe. Why are we letting the habitual offender out. We are trying to address this problem. This bill looks like one we have been working for.

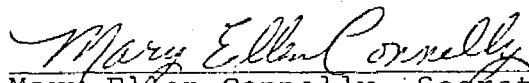

Then followed discussion about a life sentence in Montana and that it is now 18 years.

The hearing closed on House Bill #261.

The meeting adjourned and went into executive session, at 10:45.

JOHN P. SCULLY, CHAIRMAN

Mary Ellen Connelly, Secretary

HOUSE BILL #188 and HOUSE BILL #261;

The sub-committee reported. REPRESENTATIVE RAMIREZ, Chairman of the sub-committee moved to adopt the committee report, table HB 188 and pass HB 261.

REPRESENTATIVE COURTNEY moved a sub-stitute motion to table House Bill #188. The motion carried with the vote unanimous.

REPRESENTATIVE COURTNEY moved to amend House Bill 261, on page 4, line 7, to insert "and amphetamines" following subsection (2).

There was discussion about the section on kidnapping and drugs. Representative Conroy mentioned that Senator Turnage is in favor of this bill. The comment was made that the bill says that with regard to opiates we are limiting the discretion of the judge and making it a mandatory sentence for two years. Representative Courtney withdrew his motion.

REPRESENTATIVE RAMIREZ moved "do pass". The motion carried with Representative Lory voting "no".

HOUSE BILL #243:

It was mentioned that Pat McKittrick had a proposed amendment so the committee agreed to pass for the day.

HOUSE BILL #310:

REPRESENTATIVE DAY reported from the water sub-committee. He moved adoption of the committee report, "do pass as amended". The motion carried with the vote unanimous.

The amendment: Amend page 2, section 1, subsection (1)(c),
line 8

Following: "1977"

Insert: "However, the board may not extend its
date beyond March 1, 1979."

HOUSE BILL #291:

REPRESENTATIVE KEYSER Moved "do pass".

REPRESENTATIVE EUDAILY moved to amend something to the effect of "possessed or transferred the item" or "conceal, misrepresent or transfer, with the presumption that the person knowingly possessed or transferred. Representative Ramirez said that the amendment would make no sense, it was already in the bill. Representative Eudaily withdrew the amendment. He said he wasn't sure just what he wanted it to say anyway.

REPRESENTATIVE LORY moved to amend; strike, "control" and insert: "control or transfer". No action was taken.

REPRESENTATIVE ROTH moved to postpone for the day. The motion carried with Representatives Keyser and Dussault voting "no".

help to hold off more of them. He said this would keep young offenders from being evaluated under abnormal tense conditions, and not through them in with hardened criminals.

Robert Long, representing the Governor said with the amendments that had been put into this on the Senate floor he would strongly favor supporting this bill.

Senator Thomas said these kids had been tested and testeed, and what they really need is treatment.

Representative Meloy said that is precisely why it needs to be done in the community.

HOUSE BILL 261 was explained by Representative Ramirez. He said you need to understand the bill to understand the fiscal note. He said any judge can give any sentence from one day to the maximum. He doesn't have to send the person to prison, he can put the person on probation. As a result there is a disparity in sentencing. This bill sets out persons who are convicted of crimes against a person would be sent to prison--rape, assault, etc.

Representative Gould spoke in favor of the bill.

Senator Fasbender asked if Representative Ramirez could tell him what percentage of poeple were in prison because of person related crimes as opposed to the others. He was told they had tried to get some figures, but had not been able to get the break down.

Discussion was held on available facilities, costs, prison population effects, chances of better non-recurrence of crimes, etc.

HOUSE BILL 781 was discussed, which was the bill by Representative Marks on state aid for sewer and water in the Boulder Housing area.

Motion by Senator Etchart that House Bill 781 do pass. He said this was in good faith on the part of the Legislature.

Motion was voted, passed.

HOUSE BILL 693, the bill by Representative Meloy on the National Conference of State Legislatures.

Motion by Senator Stephens that this bill be concurred in.

Discussion was held on this, and Senator Regan maintained the Legislature should follow the edict they had put before the other agencies and cut down on the memberships. She felt one or the other should be it. Senator Fasbender said he felt a lot of the work being done by the Council of State Governments was actually being done by the NCL.

Voted and passed, 9:23 A.M.

HOUSE BILL 261, the bill for mandatory prison sentences was discussed.

Motion by Senator Thomas that House Bill 261 do pass.

Discussion was held on this bill. Senator Regan made a substitute motion that this bill do not pass. She said she felt this was tying the hands of the judge. When the chief justice addressed us he said he hoped we did not do anything until they had a chance to put the whole package together.

to complete the project.

Motion by Senator Fasbender that this bill do pass.
Voted and passed, unanimous 8:58 A.M.

HOUSE BILL 532, the bill to provide state funding to operate the district courts was discussed. Senator Lockrem said it seemed this was no more than a resolution. He said \$95,000 is available LEAA funds, and it has a sunset clause.

Senator Etchart said on page 2, line 15 --in 122 there was a clause for the state to take over all the costs of the courts with few exceptions.

Representative Bardanouve said this bill, as it came in, called for \$11 million general fund. They did not buy that so the sponsors of the bill amended this and made it what it is now. I questioned the propriety of what it was then. It was an attempt to take over all the costs of courts all over the state--then a study to come up with what was already in the bill.

Motion by Senator Thomas that this bill do not pass. Voted and passed. Roll call vote 9:44 A.M.

HOUSE BILL 663 by Representative Harper on home health services, was discussed. Senator Regan said the intent was to start three new units. You pay for the care part, but it is a tremendously valuable service. She said she wondered if it were possible for them to be started in a less costly manner.

Senator Stephens said they had passed a similar law in public health which allowed them to be licensed so that they could receive federal funds.

Senator Flynn said many people for the sake of a couple of visits a week were able to be kept out of a rest home. Senator Stephens said he wondered why we should give them money to start a profit organization.
