REQUEST TO REDUCE A GROUNDWATER CERTIFICATE

This form may be used to <u>reduce</u> the flow rate, volume, place of use, period of use, and/or purposes of use for a Groundwater Certificate. Once processed, a new Certificate will be issued for the reduced amount. Once a new Certificate with the reduced elements is issued, the elements listed on the original Certificate may not be reinstated. Any right to the use of water under the original Certificate will be permanently relinquished and/or abandoned in an amount equal to the reduction.
