

# APPRENTICESHIP PATHWAY

## PRE-APPRENTICESHIP BENEFITS

Upon successful completion, achieve CDA certification and gain a potential of 4 ECE college credits. Training supports everyday child care practices and is accessed online. Upon fulfillment, reach level 3 on the Practitioner Registry.

## APPRENTICESHIP BENEFITS

Endorsement of an Early Childhood Education (ECE) Associates degree is supported. Course work is attained through Montana Higher Education. Upon achieving 24 college credits in ECE, the individual reaches level 4 on the Practitioner Registry. Upon completion of an associates degree in ECE, the individual attains level 5 on the Practitioner Registry.

Pre-Apprenticeship and Apprenticeship programs are registered through the Montana Department of Labor & Industry. Participants can earn while learning and each program culminates in a nationally recognized credential. Financial incentives are available.
