13       the proponents of a statewide ballot issue believe that the ballot statements approved by the attorney general  
14       do not satisfy the requirements of 13-27-212 or 13-27-213 or believe that the attorney general was incorrect in  
15       determining that the petition was legally deficient, they may, within 10 days of the attorney general's

20       approved by the attorney general do not satisfy the requirements of 13-27-212 or 13-27-213 or believe that the  
21       attorney general was incorrect in determining that the petition was legally sufficient, they may, within 10 days of  
22       the date of certification to the governor that the completed petition has been officially filed, file an original  
23       proceeding in ~~the supreme~~ district court challenging the adequacy of the statement or the attorney general's  
24       determination and requesting the court to alter the statement or overrule the attorney general's determination  
25       concerning the legal sufficiency of the petition. The attorney general shall respond to a complaint within 5 days.

26           (3)       (a) Notice must be served upon the secretary of state and upon the attorney general.

27           (b)       If the proceeding requests modification of ballot statements, an action brought under this  
28       section must state how the petitioner's ballot statements approved by the attorney general do not satisfy the

1 requirements of 13-27-212 or 13-27-213 and must propose alternate ballot statements that satisfy the  
2 requirements of 13-27-212 and 13-27-213.

3 (c) (i) Pursuant to Article IV, section 7(2), of the Montana constitution, an action brought pursuant  
4 to this section takes precedence over other cases and matters in ~~the supreme district~~ court. The court shall

15 the issue to the electors, any petitions supporting the issue are void and the issue may not appear on the ballot  
16 unless otherwise ordered by the supreme court. A proponent of the statewide ballot issue may resubmit a  
17 revised issue, pursuant to 13-27-214, subject to the deadlines provided in this chapter.

18 (iv) If the court decides that the attorney general's legal deficiency determination is incorrect and  
19 that a proposed statewide ballot issue complies with statutory and constitutional requirements governing

21 13-27-212 and 13-27-213 and forward the statements to the secretary of state within 5 days of the court's
