

Subject: Meeting on 11/5

Comment: Good afternoon, My name is Charity Stephens and I am a Montana State and Nationally Registered Paramedic. I have previously held the role of EMS Chief for three years in Absarokee, Montana. I am well aware of the lack of resources available to EMS and would like to ask to speak at the next meeting held on November 5th. Could you please advise me as to how to proceed and what steps need to be taken to be placed on the agenda. Thank you for your time, Charity Stephens
