RE: Proposed 2025 Montana Code Annotated Prices

I am respectfully submitting proposed prices for 2025 MCA materials for Legislative Council approval.

We calculated these prices in accordance with 1-11-301, MCA, after awarding the bid for the printing of 2025 MCA materials and consulting with staff on production costs. We listed the 2023 MCA prices in a separate column for comparative purposes. It is our recommendation that we keep the prices the same for this publication cycle.

The royalty fee for a “free product” is currently \$1 for each copy of Folio.
