RE: Historic and Overwhelming 2025 Session Statistics

Set out below are some eye-popping 2025 Session statistics. These statistics are just the tip of the proverbial Titanic in terms of a representation of the total over-all Legislative Branch staff and legislator work load this session.

**\* 4495 Bill Draft Requests**

**\* 1759 Bills and Resolutions Introduced – 61** more than was introduced during the 2023 Session (and now the most bills and resolutions introduced in a legislative session other than the 1973 session in which the volume of introduced legislation implemented Montana's new 1972 Constitution)

- 952 House Bills
- 564 Senate Bills
- 243 Resolutions
- **1927 Bills and Resolutions Sent to Legal/Edit/Input/Proofing/Bill Processing**
- **3326 Amendments Drafted**
- **1411 Committee Hearings**
- **531,044 Messages Received and Processed by the Information Desk**
- **4864 Tickets Processed in OLIS**
- **100 Fiscal Notes Processed by the Financial Services Office**
- **3,912,863 Impressions, Equaling 1,956,431 Sheets of Paper Printed by the Print Shop**
- **199 Junque Files Requested and Produced**
