Preamble: Legislative committees operating during the interim between regular legislative sessions constructively and collectively address and resolve critical public policy issues for Montanans. It is the general policy of the Legislature that interim committees reach general agreement on any issue that requires a committee decision. If general agreement cannot be reached, the presiding officer may call for a vote of the members.

Applicability: These rules, procedures, and guidelines apply to statutorily created legislative committees, commissions, work groups, or other study entities staffed by the Legislative Services Division.

RULES, PROCEDURES, AND GUIDELINES FOR LEGISLATIVE INTERIM COMMITTEES AND ACTIVITIES

QUORUMS/PARLIAMENTARY PROCEDURES

1. Meetings of legislative interim committees (committees) are held in the State Capitol unless designated by the presiding officer.
2. Regular meetings are publicly noticed 10 days prior to each meeting.
3. Public notice includes posting to the Legislative Branch website the time, location, and agenda of meetings, disseminating the material to news media, committee members, and interested persons. Staff of the Legislative Services Division (LSD) shall maintain an updated mailing list of persons stating an interest in each committee's activities. Anyone who requests to be included on the mailing list must be included. If practical and feasible, notice may also be given by U.S. mail, e-mail, fax, or other means.
4. A majority of members at any meeting or the presiding officer may call a special meeting with at least 24-hour notice to the members. A special meeting may not include agenda items that require a public hearing.
5. Meetings of committees and subcommittees are conducted under the established rules of the Montana Senate as to quorums and parliamentary procedure.
6. Meetings may provide for remote meeting participation by members and the public.

PUBLIC PARTICIPATION GUIDELINES

1. Interim committee members review and assess the development and implementation of public policy. Public comment is required and assists committees in their policy role.
2. Each committee is committed to providing an opportunity for effective public involvement in public policy development and review.
 - a. Public comment is accepted on agenda items. Public comment is accepted in person, through written communication, or through remote meeting methods.

- b. Public comment provided in person to the committee is a public record that is videotaped, archived, and available on the website. Public comment submitted in writing at a committee meeting is a public record that will be posted to the legislative website as part of the minutes log.
3. To manage the committee's time and agenda, the presiding officer of a committee may limit individual public comment in a manner that allows equal and fair opportunity for public comment.
4. Submission of written comments is encouraged. Written comments are accepted at any time through electronic or regular correspondence and will be copied to all committee members and entered into the record.
5. Common courtesy is required.
6. The presiding officer may recess committee meetings when considered appropriate.
7. Recording or videotaping of committee meetings is permissible in a manner that does not disrupt the meeting.

ELECTION OF OFFICERS

Nominations for the presiding officer and vice-presiding officer of a committee are made during the first meeting of the committee after appointments of new members. Pursuant to [5-5-213, MCA](#), the presiding officer and the vice-presiding officer of an interim committee may not be of the same political party. To be elected, a candidate must obtain a majority of votes through a voice vote or roll call vote.

VOTING AND PROXY VOTES

Proxies are discouraged. For the exercise of a proxy to be valid, the deputized member shall hold a written proxy from the absent member.

APPOINTMENTS

The presiding officer, in consultation with the vice-presiding officer, may appoint a member as the presiding officer of a subcommittee, a member of a subcommittee, and as necessary, nonlegislative members of special committees.

SUBCOMMITTEES

1. The presiding officer, in consultation with the vice-presiding officer, may establish temporary or standing subcommittees of the interim committee to make investigations or perform other functions as delegated by the committee. Subcommittees require the same staffing and support as the whole committee.
2. The presiding officer of a subcommittee shall work closely with the committee staff in determining research priorities within the topic areas assigned to the subcommittee. Significant conflicts between committee research and subcommittee research responsibilities may be referred to the presiding officer for resolution.
3. The presiding officer of a subcommittee shall make, on behalf of the subcommittee, periodic reports and recommendations to the committee.
4. Any recommendation of a subcommittee is a recommendation to the full committee only. Only the full committee takes action to implement a recommendation, which should be based on clearly stated findings and recommendations that are formally adopted by the full committee.

STAFF RESEARCH AND EQUIPMENT

1. The Executive Director of the LSD is responsible for managing the staff's workload under guidelines established by the Legislative Council.
2. Committee staff assist individual committee members on requests by compiling and analyzing material relating to the committee's statutory responsibilities.
3. By the conclusion of the second regular meeting following appointment of new members, the committee shall establish a work plan for the biennium.
4. Priority is given to research relating to the committee's primary study topics as identified in the approved committee work plan.
5. A request from an individual member for research not included in the work plan may not interfere with research required by the plan. Staff work to respond to a research request not included in the work plan may not exceed 16 hours without approval of the presiding officer and vice-presiding officer.

6. The limitation on conducting research does not apply to bill drafting services during and immediately preceding a legislative session.
7. Legislative Services Division equipment, including but not limited to telephones, computers, software, and copying and fax machines, is primarily for the use of LSD staff but may be made available to committee members for committee business. Use of LSD equipment at any time may not interfere with the staff's need for and use of the equipment. Any use of LSD equipment must be for legislative business only.

TRAVEL AND EXPENSE REIMBURSEMENT

The 69th Legislature passed Senate Bill 64, which amended **MCA 5-2-302**, the statute governing compensation for legislative interim work. This legislation establishes a zone-based system for determining compensation for participation in Interim, Budget, and Administrative Committee meetings, based on the round-trip mileage from a legislator's residence to the meeting location.

A legislator's eligible compensation is based on the designated travel zone corresponding to the round-trip distance from their residence to the meeting location, unless they choose to **opt out** of part or all of the compensation by contacting the **Legislative Financial Office** at legfinservices@legmt.gov.

Logistics and Administration

- Committee staff will report attendance directly to the Legislative Financial Office.
- Legislators are no longer required to submit claim forms or receipts. Note: Actual round-trip mileage will be reimbursed, not the miles used to calculate the “zones.” Inclement weather may allow for additional reimbursements under certain circumstances. Please contact the Legislative Financial Office at <mailto:legfinservices@legmt.gov> for assistance.
- If the meeting is not in the Capitol, the Legislative Financial Office will calculate the round-trip mileage and determine the appropriate zone for the meeting location for you.

MINUTES OF INTERIM COMMITTEE MEETINGS

1. Digital recordings of interim committee meetings are the official minutes of interim committee meetings.
2. Staff produces an annotated log as an index and time stamp to the record. The log:
 - a. indicates at what points during the meeting the various agenda items are found in the digital record;
 - b. identifies each speaker and details each motion and vote;
 - c. identifies the main topics of discussion; and
 - d. establishes links on the website to documents discussed by or presented to an interim committee.
3. If a committee tours or travels outside a meeting room setting, the minutes identify the location of the tour or travel, and committee and staff attendance.

REQUESTS FOR MATERIAL

 - a. Records subject to constitutional individual privacy protection are protected from public review or scrutiny.
 - b. All other records are subject to right to know provisions of the Constitution.

 - e. Proprietary information, including computer programs, which is entrusted to the committee under exclusive contract.
 - f. Any other information that the Executive Director of the LSD determines to be not available because the demands of individual privacy clearly exceed the merits of public disclosure.

COMPLETION OF INTERIM COMMITTEE WORK

1. September 15 prior to a regular legislative session is the guideline date for completing interim committee work.
