SPD REPORTING – ANNUAL FINANCIAL REPORTS (AFRS)

Annual Financial Reports (AFRs):

1. Pursuant to MCA 2-7-503, AFRs must be submitted to DOA six months after the fiscal year period ends.
2. The majority of SPD AFRs are due by December 31 of each calendar year.
3. Revenue reported on the AFR determines if an audit is required.

**All submitted reports are made available for public inspection on the
Local Government Services Bureau website.**

<https://sfsd.mt.gov/LGSB/index>

SPD - SPECIAL CONSIDERATIONS

Special Purpose Districts are their own special breed of local governments.

- Vary greatly in purpose and activity: No two are exactly alike.
- Many are unable to hire qualified financial staff.
- Many are staffed by volunteers or part-time personnel.
- Some do not have software and track financial data by Excel or by hand.
- Often not well monitored or supported by the forming entity.
- Some use cash basis reporting and some use accrual.
- Some send DOA/LGSB the AFR in handwritten format, or in a QuickBooks report and ask to have the form completed on their behalf.
- The AFR is not always completed correctly. For example: 1) The County records column is often not completed. 2) State and Federal grant information is not populated. 3) Beginning cash doesn't equal the ending cash from the prior year report.

SPD - FUTURE TRANSPARENCY

- The annual financial reports are submitted and saved as PDF documents. This doesn't allow for DOA, local government entities, or the public to easily compare data between special purpose entities or fiscal years.
- The DOA Local Government Services Bureau (LGSB) is accumulating the AFR data submitted by SPDs for the fiscal years 2023 and 2024. This data will enable us to compare and understand more about the Special Purpose Districts.
- DOA LGSB is also considering the format and method of future transparency around the Special Purpose District reporting.
