5 cosponsors is present or unless the sponsor has given written consent. The chairman shall attempt to not
6 schedule Senate bills while the Senate is in session.

7 (3) (a) Subject to H30-60 and subsection (3)(b), the committee shall act on each bill in its possession
8 and that has had a hearing prior to the last legislative day before the applicable transmittal deadline for the bill
9 as provided in Joint Rule 40-200:

10 (i) by reporting the bill out of the committee:

11 (A) with the recommendation that it be referred to another committee;

12 (B) favorably as to passage; or

13 (C) unfavorably; or

14 (ii) by tabling the measure in committee.

15 (b) Except as provided in subsection (3)(c), at the written request of the sponsor made at least 48 hours
16 prior to a scheduled hearing, a bill may be withdrawn by the sponsor without a hearing. A bill may not be
17 reported from a committee without a hearing.

18 (c) A bill may not be withdrawn by the sponsor after a hearing.

19 (4) The committee may not report a bill to the House without recommendation.

20 (5) The committee may recommend that a bill on which it has made a favorable recommendation by
21 unanimous vote be placed on the consent calendar. A tie vote in a standing committee on the question of a
22 recommendation to the whole House on a matter before the committee, for example on a question of whether a
23 bill is recommended as "do pass" or "do not pass", does not result in the matter passing out to the whole House
24 for consideration without recommendation.

25 (6) In reporting a measure out of committee, a committee shall include in its report:

26 (a) the measure in the form reported out;

27 (b) the recommendation of the committee;

28 (c) an identification of all substantive changes; and

1 (d) a fiscal note, if required and available.

2 (7) If a measure is withdrawn from a committee and brought to the House floor for debate on second
3 reading on that day without a committee recommendation, the bill does not include amendments formally
4 adopted by the committee because committee amendments are merely recommendations to the House that are
5 formally adopted when the committee report is accepted by the House.

6 (8) A second to any motion offered in a committee is not required in order for the motion to be
7 considered by the committee.

8 (9) The vote of each member on all committee actions must be recorded. All motions may be adopted
9 only on the affirmative vote of a majority of the members voting. Standing and select committees may by a
10 majority vote of the committee authorize members to vote by proxy if absent, while engaged in other legislative
11 business or when excused by the presiding officer of the committee due to illness or an emergency.
12 Authorization for absentee or proxy voting must be reflected in the committee audio-video recording log.

13 (10) A motion to take a bill from the table may be adopted by the affirmative vote of a majority of the
14 members present at any meeting of the committee.

15 (11) An action formally taken by a committee may not be altered in the committee except by
16 reconsideration and further formal action of the committee.

17 (12) A committee may reconsider any action as long as the matter remains in the possession of the
18 committee. A committee member need not have voted with the prevailing side in order to move reconsideration.

19 (13) (a) Except as provided in subsection (13)(b), legislation requested by a committee requires three-
20 fourths of all members of the committee to vote in favor of the question to allow the committee to request the
21 drafting or introduction of legislation. Votes requesting drafting and introduction of committee legislation may be
22 taken jointly or separately.

23 (b) The House Appropriations committee may request the drafting and introduction of legislation by a
24 majority vote of all of the members of the committee.

25 (14) The chairman shall decide points of order.

26 (15) The privileges of committee members include the following:

27 (a) to participate freely in committee discussions and debate;

28 (b) to offer motions;

- 1 (c) to assert points of order and privilege;
- 2 (d) to question witnesses upon recognition by the chairman;
- 3 (e) to offer any amendment to any bill; and
- 4 (f) to vote, either by being present or by proxy if authorized pursuant to subsection (9), using a standard
- 5 form or through the vice chairman or minority vice chairman.

6 (16) Any meeting of a committee held through the use of telephone or other electronic communication
7 must be conducted in accordance with Chapter 3 of the House Rules.

8 (17) A committee may consolidate into one bill any two or more related bills referred to it whenever
9 legislation may be simplified by the consolidation.

10 (18) Committee procedure must be informal, but when any questions arise on committee procedure,
11 the rules or practices of the House are applicable except as stated in the House Rules.

12 **H30-60. Public testimony -- decorum -- time restrictions.** (1) Subject to Joint Rule 30-05, remote or
13 in-person testimony from proponents, opponents, and informational witnesses must be allowed on every bill or
14 resolution before a standing or select committee. All persons, other than the sponsor, offering testimony shall
15 register on the committee witness list.

16 (2) Any person wishing to offer testimony to a committee hearing a bill or resolution must be given a
17 reasonable opportunity to do so, orally or in writing. Written testimony may not be required of any witness, but
18 all witnesses must be encouraged to submit a statement in writing for the committee's official record.

19 (3) The chairman may order the committee room cleared of visitors if there is disorderly conduct.
20 During committee meetings, visitors may not speak unless called upon by the chairman. Restrictions on time
21 available for testimony may be announced.

22 (4) The number of people in a committee room may not exceed the maximum posted by the State Fire
23 Marshal. The chairman shall maintain that limit.

24 (5) In any committee meeting, the use of cameras, television, radio, or any form of telecommunication
25 equipment is allowed, but the chairman may designate the areas of the hearing room from which the equipment
26 must be operated. Cell phone use is allowed only at the discretion of the chairman.

27 **H30-70. Ethics Committee.** (1) The Ethics Committee shall meet only upon the call of the chair after
28 the referral of an issue from the Rules Committee or the Legislator Conduct Panel or to consider a request for a

1 determination pursuant to subsection (4). The Rules Committee may be convened to consider the referral of a
2 matter to the Ethics Committee upon the request of a representative. The Rules Committee shall prepare a
3 written statement of the specific question or issue to be addressed by the Ethics Committee. Except for a
4 referral from the Legislative Conduct Panel, the issues referred to the Ethics Committee must be related to the
5 actions of a representative.

6 (2) The matters that may be referred to the Ethics Committee are:

7 (a) a violation of:

8 (i) 2-2-103, MCA;

9 (ii) 2-2-104, MCA;

10 (iii) 2-2-111, MCA;

11 (iv) 2-2-112, MCA; or

12 (v) Joint Rule 10-85:

13 (b) the use or threatened use of a representative's position for personal or personal business benefit or
14 advantage; or

15 (c) any other violation of law by a representative while acting in the capacity of Representative.

16 (3) If there is a recommendation from the Ethics Committee, the recommendation is made to the
17 House.

18 (4) A representative may seek a determination from the Ethics Committee concerning the possibility of
19 a personal conflict of interest.

20 **CHAPTER 4**

21 **Legislation**

22 **H40-10. Introduction deadlines.** If a representative accepts drafted legislation from the Legislative
23 Services Division after the deadline for preintroduction, the representative may not introduce that legislation
24 after 2 legislative days from the time the bill was accepted from the Legislative Services Division.

25 **H40-20. House resolutions.** (1) A House resolution is used to adopt or amend House rules, make
26 recommendations on the districting and apportionment plan (Montana Constitution, Art. V, Sec. 14), express
27 the sentiment of the House, or assist House operations.

28 (2) As to drafting, introduction, and referral, a House resolution is treated as a bill. A House resolution

1 may be requested and introduced at any time. Final passage of a House resolution is determined by the
2 Committee of the Whole report. A House resolution does not progress to third reading.

3 (3) The Chief Clerk shall transmit a copy of each passed House resolution to the Senate and the
4 Secretary of State.

5 **H40-30. Cosponsors.** (1) Within 2 days from the date that the chief sponsor signs and accepts
6 legislation from the Legislative Services Division and prior to submitting legislation to the Chief Clerk for
7 introduction, the chief sponsor may add representatives and senators as cosponsors. A legislator shall sign the
8 cosponsor form attached to the legislation in order to be added as a cosponsor.

9 (2) After legislation is submitted for introduction but before the legislation returns from the first House
10 committee, the chief sponsor may add or remove cosponsors by filing a cosponsor form with the Chief Clerk.
11 This filing must be noted by the Chief Clerk for the record on Order of Business No. ~~401~~.

12 **H40-40. Introduction -- receipt -- messages from Senate and elected officials.** (1) During a
13 session, proposed House legislation may be introduced in the House by submitting it, endorsed with the
14 signature of a representative as chief sponsor, to the Chief Clerk for introduction. Except for the first 15 bill
15 numbers that may be reserved for preintroduced legislation, in each session of the Legislature, the proposed
16 legislation must be numbered consecutively by type in the order of receipt. Submission and numbering of
17 properly endorsed legislation constitutes introduction.

18 (2) Preintroduction of legislation prior to a session under provisions of the joint rules constitutes
19 introduction in the House.

20 (3) Acknowledgment by the Chief Clerk of receipt of legislation or other matters transmitted from the
21 Senate for consideration by the House constitutes introduction of the Senate legislation in the House or receipt
22 by the House for purposes of applying time limits contained in the House rules. All legislation may be referred to
23 a committee prior to being read across the rostrum as provided in H40-50.

24 (4) Acknowledgment by the Chief Clerk of receipt of messages from the Senate or other elected
25 officials constitutes receipt by the House for purposes of any applicable time limit. Senate legislation or
26 messages received from the Senate or elected officials are subject to all other rules.

27 **H40-50. First reading -- receipt of Senate legislation.** Legislation properly introduced or received in
28 the House must be announced across the rostrum and public notice provided. This announcement constitutes

1 first reading, and no debate or motion is in order except that a representative may question adherence to rules.
 2 Acknowledgment by the Chief Clerk of receipt of legislation transmitted from the Senate commences the time
 3 limit for consideration of the legislation. All legislation received by the House may be referred to a committee
 4 prior to being read across the rostrum.

5 **H40-60. One reading per day -- exception.** Except on the final legislative day, legislation may receive
 6 no more than one reading per legislative day. On the final legislative day, legislation may receive more than one
 7 reading.

8 **H40-70. Referral.** (1) The Speaker shall refer to a House committee, joint select committee, or joint
 9 special committee all properly introduced House legislation and transmitted Senate legislation in conformity with
 10 the House Rules Appendix and within 2 legislative days of introduction or transmission.

11 (2) Legislation may not receive final passage and approval unless it has been referred to a House
 12 committee, joint select committee, or joint special committee.

13 **H40-80. Rereferral -- Appropriations Committee rereferral -- normal progression.** (1) Legislation
 14 that is in the possession of the House and that has not had a House hearing in the currently assigned House
 15 committee may be rereferred to a House committee in accordance with the House Rules Appendix, by House
 16 motion approved by a majority of the members present and voting.

17 (2) (a) With the consent of the majority leader, the minority leader, and the bill sponsor, legislation that
 18 has passed second reading in the Committee of the Whole and that has been rereferred to the Appropriations
 19 Committee and is reported from committee without amendments may be placed on third reading.

20 (b) Prior to being placed on third reading, legislation rereferred must be sent to be processed ~~and~~
 21 ~~reproduced~~ as a third reading version and specifically marked as having been passed on second reading and
 22 rereferred to the House Appropriations Committee and reported from the committee without amendments.

23 (3) (a) The normal progress of legislation through the House consists of the following steps in the order
 24 listed: introduction; referral to a standing or select committee; a report from the committee; second reading; and
 25 third reading.

26 (b) A motion to remove legislation from its normal progress through the House as provided in
 27 subsection (3)(a) by House motion must be approved by no fewer than 55 of the members present and voting.

28 **H40-90. Legislation withdrawn from committee.** Legislation may be withdrawn from a House

1 committee after a committee hearing on the legislation by House motion approved by no fewer than 55 of the
2 members present and voting.

3 **H40-100. Standing committee reports -- requirement for rejection of adverse committee report.**

4 (1) A House standing committee recommendation of "do pass" or "be concurred in" must be announced across
5 the rostrum and, if there is no objection to form, is considered adopted.

6 (2) A recommendation of "do not pass" or "be not concurred in" must be announced across the rostrum
7 and, on the following legislative day, may be debated and adopted or rejected on Order of Business No. 2. A
8 motion to reject an adverse committee report must be approved by a majority of the members voting. Failure to
9 adopt a motion to reject an adverse committee report constitutes adoption of the report.

10 (3) If the House rejects an adverse committee report, the bill progresses to second reading, as
11 scheduled by the Speaker, with any amendments recommended by the committee.

12 ~~**H40-110. Consent calendar procedure.** (1) Noncontroversial bills and simple and joint resolutions
13 may be recommended for the consent calendar by a standing committee and processed according to the
14 following provisions:~~

15 ~~(a) To be eligible for the consent calendar, the legislation must receive a unanimous vote by the
16 members of the standing committee in attendance (do pass, do pass as amended). In addition, a motion must
17 be made and passed unanimously to place the legislation on the consent calendar and this action reflected in
18 the committee report. Appropriation or revenue bills may not be recommended for the consent calendar.~~

19 ~~(b) The legislation must then be sent to be processed and reproduced as a third reading version and
20 specifically marked as a "consent calendar" item.~~

21 ~~(2) Other legislation may be placed on the consent calendar by agreement between the Speaker and
22 the minority leader following a positive recommendation by a standing committee. The legislation must be sent
23 to be processed as a second reading version but must be specifically announced and posted as a "consent
24 calendar" item.~~

25 ~~(3) Legislation must be posted immediately (as soon as it is received appropriately printed) on the
26 consent calendar and must remain there for 1 legislative day before consideration under Order of Business No.
27 11, special orders of the day. At that time, the presiding officer shall announce consideration of the consent
28 calendar and allow "reasonable time" for questions and answers upon request. No debate is allowed.~~

~~(4) If any one representative submits a written objection to the placement of legislation on the consent calendar, the legislation must be removed from the consent calendar and added to the regular second reading board.~~

~~(5) Consent calendar legislation will be considered on Order of Business No. 8, third reading of bills, following the regular third reading agenda, as separately noted on the agenda.~~

~~(6) Legislation on the consent calendar must be considered individually with the roll call vote spread on the journal as the final vote in the House.~~

~~(7) Legislation passed on the consent calendar must then be transmitted to the Senate. Legislation must be appropriately printed prior to transmittal.~~

H40-120. Legislation requiring other than a majority vote. Legislation that requires other than a majority vote for final passage needs only a majority vote for any action that is taken prior to third reading and that normally requires a majority vote.

H40-130. Amending House second and third reading agendas -- vote requirements. (1) A majority of representatives present may rearrange or remove legislation from either the second or third reading agenda on that legislative day.

(2) (a) Legislation reported out of committee may be added to the second reading agenda on that legislative day on a motion approved by a majority of the members present and voting.

(b) Legislation reported out of the Committee of the Whole may be added to the third reading agenda on 1 day's notice on a motion approved by a majority of the members present and voting.

H40-140. Second reading -- timing -- obverse vote on failed motion -- status of amendments -- rejection of report -- segregation. (1) Legislation returned or withdrawn from committee by motion must be placed on second reading prior to the transmittal deadlines provided for in Joint Rule 40-200 that are applicable to each piece of legislation.

(2) The House shall form itself into a Committee of the Whole to consider business on second reading. The Committee of the Whole may debate legislation, attach amendments, and recommend approval or disapproval of legislation.

(3) Except on the final legislative day, at least 1 legislative day must elapse between the time legislation is reported from committee and the time it is considered on second reading.

1 (4) If a motion to recommend that a bill "do pass" or "be concurred in" fails in the Committee of the
 2 Whole, the obverse, i.e., a recommendation that the bill "do not pass" or "be not concurred in", is considered to
 3 have passed. If a motion to recommend that a bill "do not pass" or "be not concurred in" fails in the Committee
 4 of the Whole, the obverse, i.e., a recommendation that the bill "do pass" or "be concurred in", is considered to
 5 have passed.

6 (5) An amendment attached to legislation by the Committee of the Whole remains unless removed by
 7 further legislative action.

8 (6) When the Committee of the Whole reports to the House, the House shall adopt or reject the
 9 Committee of the Whole report. If the House rejects the Committee of the Whole report, the legislation remains
 10 on second reading, as amended by the Committee of the Whole, and must be acted on by the Committee of the
 11 Whole by the next legislative day unless the House orders otherwise.

12 (7) A representative may move to segregate legislation from the Committee of the Whole report before
 13 the report is adopted. Segregated legislation, as amended by the Committee of the Whole, must be placed on
 14 second reading unless the House orders otherwise. Amendments adopted by the Committee of the Whole on
 15 segregated legislation remain adopted unless reconsidered pursuant to H50-170 or unless the legislation is
 16 rereferred to a committee.

17 **H40-150. Amendments in the Committee of the Whole -- timing -- official records. (1) All**

18 Committee of the Whole amendments must be prepared by the Legislative Services Division ~~and checked by~~
 19 ~~the House amendments coordinator for format, style, clarity, consistency, and other factors,~~ in accordance with
 20 the most recent Bill Drafting Manual published by the Legislative Services Division, before the amendment may
 21 be accepted at the rostrum. The amendment form must include the date and time the amendment is submitted
 22 for that check.

23 (2) An amendment submitted to the rostrum for consideration by the Committee of the Whole must be
 24 marked as checked by the amendments coordinator and signed by a representative. Unless the majority leader,
 25 the minority leader, and sponsor agree, amendments must be printed and placed on the members' desks or
 26 electronically posted or sent to the members prior to consideration.

27 (3) An amendment may not be proposed until the sponsor has opened on a bill.

28 (4) A copy of every amendment rejected by the Committee of the Whole must be kept as part of the

1 official records.

2 (5) An amendment may not change the original purpose of the bill.

3 **H40-160. Motions in the Committee of the Whole -- quorum required.** (1) When the House resolves
4 itself into a Committee of the Whole, the only motions in order are to:

5 (a) recommend passage or nonpassage;

6 (b) recommend concurrence or nonconcurrence (Senate amendments to House legislation);

7 (c) amend;

8 (d) reconsider as provided in H50-170;

9 (e) pass consideration;

10 (f) call for cloture;

11 (g) change the order in which legislation is placed on the agenda; and

12 (h) rise, rise and report, or rise and report progress and beg leave to sit again.

13 (2) Subsections (1)(d) through (1)(f) and (1)(h) are nondebatable but may be amended. Once a motion
14 under subsection (1)(a) or (1)(b) is made, a contrary motion is not in order.

15 (3) The motions listed in subsection (1) may be made in descending order as listed.

16 (4) If a quorum of representatives is not present during second reading, the Committee of the Whole
17 may not conduct business on legislation and a motion for a call of the House without a quorum is in order.

18 **H40-170. Limits on debate in the Committee of the Whole.** (1) Except as provided in H40-180, a
19 representative may not speak more than once on the motion and may speak for no more than 5 minutes. The
20 representative who makes the motion may speak a second time for 5 minutes in order to close.

21 (2) (a) Except as provided in subsection (2)(b), after at least two proponents and two opponents have
22 spoken on a question and 30 minutes have elapsed from the point in time that the sponsor's opening remarks
23 on the motion end and debate on the motion begins, a motion to call for cloture is in order.

24 (b) (i) The 30-minute tolling requirement for a cloture motion made pursuant to subsection (2)(a) does
25 not include time spent on floor debate of a substitute motion to amend the original question.

26 (ii) Each substitute motion to amend the original question is subject to a cloture motion and the cloture
27 requirements provided for in this rule.

28 (iii) Once a substitute motion to amend is dispensed with and there are no other substitute motions to

1 amend, the 30-minute tolling requirement for the original question pursuant to subsection (2)(a) resumes from
2 the point in time in which the first substitute motion to amend was made.

3 (c) Approval by not less than two-thirds of the members present and voting is required to sustain a
4 motion for cloture. Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which
5 debate was ended may close.

6 (3) By previous agreement of the majority leader and the minority leader:

7 (a) a lead proponent and a lead opponent may be granted additional time to speak on a bill;

8 (b) a bill or resolution may be allocated a predetermined amount of time for debate and number of
9 speakers.

10 (4) A representative, when speaking in the Committee of the Whole, shall keep the representative's
11 discussion to the bill and avoid discussion of topics unrelated to the bill.

12 **H40-180. Special provisions for debate on the general appropriations bill -- sections --**

13 **amendments.** (1) The Appropriations Committee chairman, in presenting the bill, is not subject to the 5-minute
14 speaking limitation.

15 (2) Each appropriations subcommittee chairman shall fully present the chairman's portion of the bill. A
16 subcommittee chairman is not subject to the 5-minute speaking limitation.

17 (3) After the presentation by the subcommittee chairman, the respective section of the bill is open for
18 debate, questions, and amendments. A proposed amendment to the general appropriations act may not be
19 divided.

20 (4) An amendment that affects more than one section of the bill must be offered when the first section
21 affected is considered.

22 (5) Following completion of the debate on each section, that section is closed and may not be reopened
23 except by majority vote.

24 (6) If a member moves to reopen a section for amendment, only the amendment of that member may
25 be entertained. Another member wishing to amend the same section shall make a separate motion to reopen
26 the section.

27 (7) Debate on the motion to reopen a section is limited to the question of reopening the section. The
28 amendment itself may not be debated at that time. This limitation does not prohibit the member from explaining

1 the amendment to be considered.

2 **H40-190. Engrossing.** (1) After legislation is passed on second reading, it must be engrossed within
3 48 hours under the direction of the Speaker. The Speaker may grant an additional 24 hours for engrossing.

4 (2) When the legislation that has passed second reading, as amended, has been correctly engrossed, it
5 must be placed on third reading on the following legislative day. If the bill is not amended, the bill must be sent
6 to printing and must be placed on third reading on the legislative day after receipt. On the final legislative day,
7 the correctly engrossed legislation may be placed on third reading on the same legislative day. For the
8 purposes of this rule, "engrossing" means placing amendments in a bill. (See Joint Rule 40-150.)

9 **H40-200. Third reading.** (1) All bills, joint resolutions, and Senate amendments to House bills and joint
10 resolutions passing second reading must be placed on third reading the day following the receipt of the
11 engrossing or other appropriate printing report.

12 (2) Legislation on third reading may not be amended or debated.

13 (3) The Speaker shall state the question on legislation on third reading. If a majority of the
14 representatives voting does not approve the legislation, it fails to pass third reading.

15 **H40-210. Senate legislation in the House.** Senate legislation properly transmitted to the House must
16 be treated as House legislation.

17 **H40-220. Senate amendments to House legislation.** (1) When the Senate has properly returned
18 House legislation with Senate amendments, the House shall announce the amendments on Order of Business
19 No. 4, and the Speaker shall place them on second reading for debate. The Speaker may, with the approval of
20 the House, rerefer House legislation with Senate amendments to a committee for a hearing if the Senate
21 amendments constitute a significant change in the House legislation. The second reading vote is limited to
22 consideration of the Senate amendments.

23 (2) If the House accepts Senate amendments, the House shall place the final form of the legislation on
24 third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

25 (3) If the House rejects the Senate amendments, the House may request the Senate to recede from its
26 amendments or may direct appointment of a conference committee and request the Senate to appoint a like
27 committee.

28 **H40-230. Conference committee reports.** (1) When a House conference committee files a report, the

1 report must be announced under Order of Business No. 3.

2 (2) The House may debate and adopt or reject the conference committee report on second reading on
3 any legislative day. The House may reconsider its action in rejecting a conference committee report under rules
4 for reconsideration, H50-170.

5 (3) If both the House and the Senate adopt the same conference committee report on legislation
6 requiring more than a majority vote for final passage, the House, following approval of the conference
7 committee report on third reading, shall place the final form of the legislation on third reading to determine if the
8 required vote is obtained.

9 (4) If the House rejects a conference committee report, the committee continues to exist unless
10 dissolved by the Speaker or by motion. The committee may file a subsequent report.

11 (5) A House conference committee may confer regarding matters assigned to it with any Senate
12 conference committee with like jurisdiction and submit recommendations for consideration of the House.

13 **H40-240. Enrolling.** (1) When House legislation has passed both houses, it must be enrolled within 48
14 hours under the direction of the Speaker. The Speaker may grant an additional 24 hours for enrolling.

15 (2) The chief sponsor of the legislation shall examine the enrolled legislation and, if it has no enrolling
16 errors, shall, within 1 legislative day, certify the legislation as correctly enrolled.

17 (3) The correctly enrolled legislation must be delivered to the Speaker, who shall sign the legislation
18 within 1 day of receipt of the correctly enrolled legislation unless the bill sponsor concurs to delay the signing of
19 the enrolled legislation.

20 (4) After the legislation has been reported correctly enrolled but before it is signed, any representative
21 may examine the legislation. (See Joint Rule 40-160.)

22 **H40-250. Governor's amendments.** (1) (a) When the Governor returns a bill with recommended
23 amendments, the House shall announce the amendments under Order of Business No. 5.

24 (b) The Governor's amendments must be placed on the second reading agenda for consideration by
25 the Committee of the Whole or may be assigned to a committee in accordance with the House Rules Appendix
26 for a recommendation of adoption or rejection of the Governor's amendments.

27 (2) The House may debate and adopt or reject the Governor's recommended amendments on second
28 reading on any legislative day.

1 (3) If both the House and the Senate accept the Governor's recommended amendments on a bill that
2 requires more than a majority vote for final passage, the House shall place the final form of the legislation on
3 third reading to determine if the required vote is obtained.

4 **H40-260. Governor's veto.** (1) When the Governor returns a bill with a veto, the House shall announce
5 the veto under Order of Business No. 5.

6 (2) On any legislative day, a representative may move to override the Governor's veto by a two-thirds
7 vote under Order of Business No. 9.

8 **CHAPTER 5**

9 **Floor Actions**

10 **H50-10. Attendance -- excuse -- call of the House.** (1) A representative, unless excused, is required
11 to be present at every sitting of the House.

12 (2) A representative may request in writing to be excused for a specified cause by the representative's
13 party leader. This excused absence is not a leave with cause from a call of the House.

14 **H50-20. Quorum.** (1) A quorum of the House is fifty-one representatives (Montana Constitution, Art. V,
15 Sec. 10).

16 (2) Any representative may question the lack of a quorum at any time a vote is not being taken. The
17 question is nondebatable, may not be amended, and is resolved by a roll call.

18 (3) The House may not conduct business without a quorum, except that representatives present may
19 convene, compel the attendance of absent representatives, or adjourn.

25 adjourn or to remove the call.

11 representative may have 5 minutes to close.

12 **H50-90. Nondebatable motions.** (1) A representative has the right to understand any question before
13 the House and, usually under the administration of the presiding officer, may ask questions to exercise this
14 right.

6 motion for the previous question, debate is closed on the question and it must be brought to a vote. The
7 Speaker may not entertain a motion to end debate unless at least one proponent and one opponent have
8 spoken on the question.

9 (2) Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate
