	Quality Schools Interin Committee
	New General Fund Revenue Structure Options
	·
	Direct State Aid
DSA1	Leave DSA at 44.7 percent of sum of new general fund components (Q Line)
DSA2	Set DSA at 44.7 percent of all entitlements except Special Ed (not unlike current law)

## GTB Area

DSA3

GTB 1 Set GTB area at 55.3 percent of Q line

GTB2 How is special ed treated in model now with Madalyn's change?

Set DSA at 50 percent of Q line

GTB3 Set GTB at 35.3 percent of Q line and mandate the remaining 20 percent be filled by local levies.

## **Current District GF Nonlevy Revenue**

NL1 Redistribute district general fund oil & gas &coal into state general fund

NL1a Do nothing further

NL1b Increase GTB ratio to compensate for loss to district of oil & gas & coal revenue

NL1c Increase DSA to compensate for loss of oil & gas & coal revenue

NLRd Calculate amount lost to district GF and include in HB 124 block grants

NL2 Eliminate district general fund HB 124 block grants

**NL1a** Do nothing further

NL1b Increase GTB ratio to compensate for loss to district of oil & gas & coal revenue

NL1c Increase DSA to compensate for loss of oil & gas & coal revenue

**NL3** Allow districts to use all other general fund revenue above the Q line

NL4 Require districts to use remaining nonlevy revenue above DSA in GTB area

## **Fund Balance Reappropriated**

**FBR1** Require districts to use FBR above DSA in the GTB area

FBR2 Alow districts to use FBR above the Q line

	GTB Ratio	
Ratio1	Leave GTB Ratio at 175 percent (or its equivalent if nonlevy options pass)	
Ratio2	Increase GTB ratio to 200 percent	
Ratio3	Reduce GTB ratio to 100 percent	
Ratio4	Use differing GTB ratios by size category	
Calculation of GTB		
CalcGTB1	Retain weighted GTB	
CalcGTB2	Eliminate weighted GTB, put on a per student basis	
Nonlevy revenue	e in county retirement fund, if combine retirement fund and district general fund	
CountyO&G&C 1	Redistribute oil & gas & coal to districts in which production occurred	
CountyO&G&C 2	Redistribute county retirement fund oil & gas &coal into state general fund	
COGC1	Increase GTB Ratio to spend the additional revenue	
COGC2	Increase DSA percent to spend the additional revenue	
Co. other Nonlevy	Redistribute other county retirement fund nonlevy to state general fund
