Subject: DOA Quarterly Claims Report

Hi Susie,

I am sending this on behalf of the Department of Administration and Don Harris.

For the quarter ending September 30, 2022:

- The Department of Administration reported no claims.
- MPERA reported no claims.
- The Burial Board, Lottery, and Montana Tax Appeal Board reported no claims.
- There were no claims deemed “frivolous” that are not included in the counts above.
- Montana State Fund separately provided its claims report.
- No other attached agencies submitted a claim report to the Department of Administration.

Please let me know if you have any questions.

Thanks,
