Since first offering classes in 1940, Dawson Community College has developed into a comprehensive academic community committed to providing affordable and open access to quality teaching and learning.

The foundation of Dawson Community College's success is the uniquely talented and dedicated personnel who share a commitment to high academic standards, vibrant campus culture, and individual attention to student needs. Our goal is that when students receive their education with us, they will be prepared to succeed anywhere.

Mission Statement

Dawson Community College strengthens our community by providing quality education and empowering diverse learners to achieve their educational goals.

DCC Strategic Priorities

1. Provide Quality Education - Offer courses and support for students to achieve their educational goals.
2. Strengthen our Community - Provide opportunities for individual growth and industry development throughout the region.
3. Enhance our Effectiveness - Use data to develop and maintain consistent processes and systems for continuous improvement and sustainability.
4. Advance Access and Equity - Commitment to building the foundation needed to create a diverse, equitable and inclusive culture.
