Susie,

Thank you for your email. The Office of Political Practices does not engage in grant activity so we have nothing to report. I believe the biennial report I send to LSD and the SAVA committee indicated this as well, but this email should certainly confirm it for you as per your request.

I hope you are well and have a pleasant weekend before things begin in earnest on Monday. Please feel free to contact me if anything else is required.

Chris

If your agency provides grants, please submit your report as soon as possible. If your agency does not provide this service, the finance committee members have requested that you respond and indicate that your agency has nothing to report.
