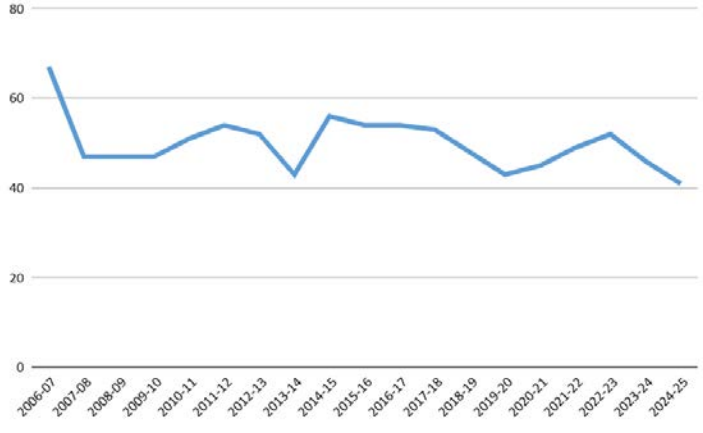
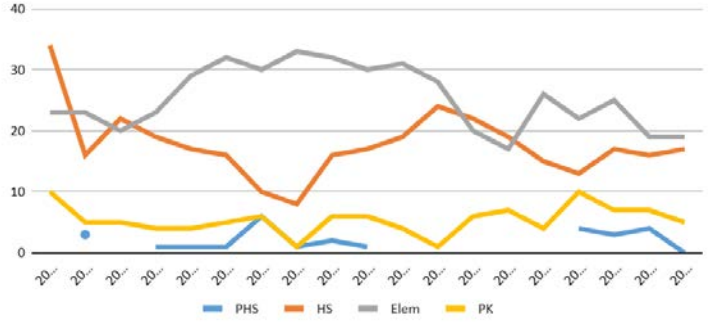
**Enrollment History of MSDB**

The following illustrates the total enrollment trends of MSDB Campus Services since the 2006-2007 school year. The data was gathered using the Infinite Campus Student Information System. We do not have electronic records prior to that time.



The above graph shows 67 students attended MSDB in 2006-2007 and 41 during the current 2024-2025 school year.


The following illustrates the enrollment trends of MSDB Campus Services segregated by Pre-Kindergarten, Elementary (K-8), High School (9-12), and Post High School.
