I move to establish the following three programs for the Montana State Library:

- Central Services (HB 2)
- Patron and Local Library Development Services
- GIS, Data, and Information Services

Patron and Patron and Local Library Development Services includes the reporting levels for Patron Services (HB 2), Consulting and Learning (HB 2), Statewide Projects (HB 2), Shared Catalog (Proprietary), and State Aid (Statutory).

GIS, Data, and Information Services includes the reporting levels for Montana Land Information Account (HB 2), Information Products (HB 2), Information Management (HB 2), Montana Natural Heritage Program (HB 2), Real Time Network (Proprietary), and Next Generation 911 (Statutory).
