SUBJECT: Inter-entity Loan Report, Fiscal Year-End 2016

In accordance with 17-2-107 (5), MCA, the Department of Administration has prepared an annual report regarding loans authorized to the same accounting entity (fund) for two consecutive fiscal years. This report discloses such inter-entity loans through fiscal year-end (FYE) 2016, excluding those of the University System, which are approved by the Commissioner of Higher Education or the Board of Regents. This report also discloses all long-term advances, regardless of the number of years outstanding.

LONG-TERM LOANS APPROVED BY THE DEPARTMENT OF ADMINISTRATION

Section 17-2-107(8), MCA, allows the Department of Administration to authorize loans to funds with long-term repayment whenever necessary due to the timing of the receipt of agreed upon reimbursements from federal, private of other governmental entity sources for disbursements made. The Department of Administration may approve these long-term loans (or advances) if the agency can demonstrate that the total loan balance does not exceed total receivables from federal, private and other governmental entities and receivables have been billed on a timely basis. Advances from the general fund to other funds generally requires the reporting of an offsetting non-spendable fund balance in the general fund. This offsetting non-spendable fund balance for the long-term loans will not be reported in other funds.

LOANS PAST DUE

Two agencies had loans that were past due as of fiscal year-end 2016. The agencies have been contacted and the past due issues have been resolved.

LOANS AUTHORIZED FOR TWO CONSECUTIVE FISCAL YEAR-ENDS
