For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

(b) For purposes of the credit, the:

(3) The credit allowed under this section may be used as a carryback against taxes imposed under chapter 30 or 31 for the 2

preceding tax years and may be used as a carryforward against taxes imposed by chapter 30 or 31 for the 15 succeeding tax years. The entire amount of the credit not used in the year earned must be carried first to the earliest tax year in which the credit may be applied and then to each succeeding tax year.

(4) A taxpayer may not claim a current year credit under this section after December 31, 2010. However, any unused credit may be carried back or forward as provided in subsection (3).

(5) A corporation, an individual, a small business corporation, a partnership, a limited liability partnership, or a limited liability company qualifies for the credit under this section. If the credit is claimed by a small business corporation, a partnership, a limited liability partnership, or a limited liability company, the credit must be attributed to the individual shareholders, partners, members, or managers in the same proportion used to report income or loss for state tax purposes. (d) "Supplies" has the meaning provided in 26 U.S.C. 41(b)(2)(C), but includes only those supplies used in the conduct of qualified research in Montana.

(e) "Wages" has the meaning provided in 39-51-201 and includes only those wages paid or incurred for an employee for qualified services performed by the employee in Montana. (7) The department shall adopt rules, prepare forms, maintain records, and perform other duties necessary to implement this section. (b) The amount of the credit allowed for a tax year is 25% of the amount of the credit determined under 26 U.S.C. 47(a)(2) ~~or as that section may be renumbered or amended.~~

(2) The credit allowed by this section may not be refunded if the taxpayer has a tax liability less than the amount of the credit. If the sum of credit carryovers from the credit, if any, and the amount of credit allowed by this section for the tax year exceeds the taxpayer's tax liability for the current tax year, the excess attributable to the current tax year's credit is a credit carryover to the 7 succeeding tax years. The entire amount of unused credit must be carried forward to the earliest of the succeeding years, and the oldest available unused credit must be used first.

Section 10. Section 15-62-208, MCA, is amended to read:

"15-62-208. Tax on certain withdrawals of deductible contributions. (1) There is a recapture tax at a rate equal to the highest rate of tax provided in 15-30-103 on the recapturable withdrawal of amounts that reduced adjusted gross income under 15-30-111(11).

(2) For purposes of determining the portion of a recapturable withdrawal that reduced adjusted gross income, all withdrawals must be allocated between income and contributions in accordance with the principles applicable under section 529(c)(3)(A) of the Internal Revenue Code of ~~1986~~, 26 U.S.C. 529(c)(3)(A). The portion of a recapturable withdrawal that is allocated to contributions must be treated as derived first from contributions, if any, that did not reduce adjusted gross income, to the extent of those contributions, and then to contributions that reduced adjusted gross income. The portion of any other withdrawal that is allocated to contributions must be treated as first derived from contributions that reduced adjusted gross income, to the extent of the contributions, and then to contributions that did not reduce adjusted gross income.

(3) (a) The recapture tax imposed by this section is payable by the owner of the account from which the withdrawal or contribution was made. The tax liability must be reported on the

income tax return of the account owner and is payable with the income tax payment for the year of the withdrawal or at the time that an income tax payment would be due for the year of the withdrawal. The account owner is liable for the tax even if the account owner is not a Montana resident at the time of the withdrawal.

(b) The department may require withholding on recapturable withdrawals from an account that was at one time owned by a Montana resident if the account owner is not a Montana resident at the time of the withdrawal. For the purposes of this subsection (3)(b), amounts rolled over from an account that was at one time owned by a Montana resident must be treated as if the account is owned by a resident of Montana.

(4) For the purposes of this section, all contributions made to accounts by residents of Montana are presumed to have reduced the contributor's adjusted gross income unless the contributor can demonstrate that all or a portion of the contributions did not reduce adjusted gross income. Contributors who claim deductions for contributions shall report on their Montana income tax returns the amount of deductible contributions made to accounts for each designated beneficiary and the social security number of each designated beneficiary.

(5) As used in this section, "recapturable withdrawal" means a withdrawal or distribution that is a nonqualified withdrawal or a withdrawal or distribution from an account that was opened after the later of:
