Milly,

Will this work?

As an aside, according to our workload study a criminal case takes 141 minutes of judicial time. If even half of these cases became felonies, it would equate to 5,405 judicial hours or more than two full-time judges. The impact would be most significant in larger counties. I'm happy to provide you with more information about the judicial time if needed.

Thanks,

Beth McLaughlin
 Supreme Court Administrator
